Doc ID: DOC-SCH-AUTH-001 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator, Principal, Teacher, Parent, Academic Team, Career Counselor, Psychometric Team

Purpose

Open your own EduSphere school portal. Every school user signs in on the **Overseas Education Portal** sign-in page; EduSphere then takes you to the dashboard for your role.

Who Can Use This Feature

Everyone with a school account: **School Coordinator, Principal, Teacher, Parent, Academic Team, Career Counselor** and **Psychometric Team**.

Prerequisites

- Your account has a password. New users set one first:
 - Coordinators and EduSphere specialists: [Set your first password from a welcome link](#).
 - Principals, Teachers and Parents: [Accept a school invitation](#).
- Your account is active (your School Coordinator or EduSphere has not deactivated it).

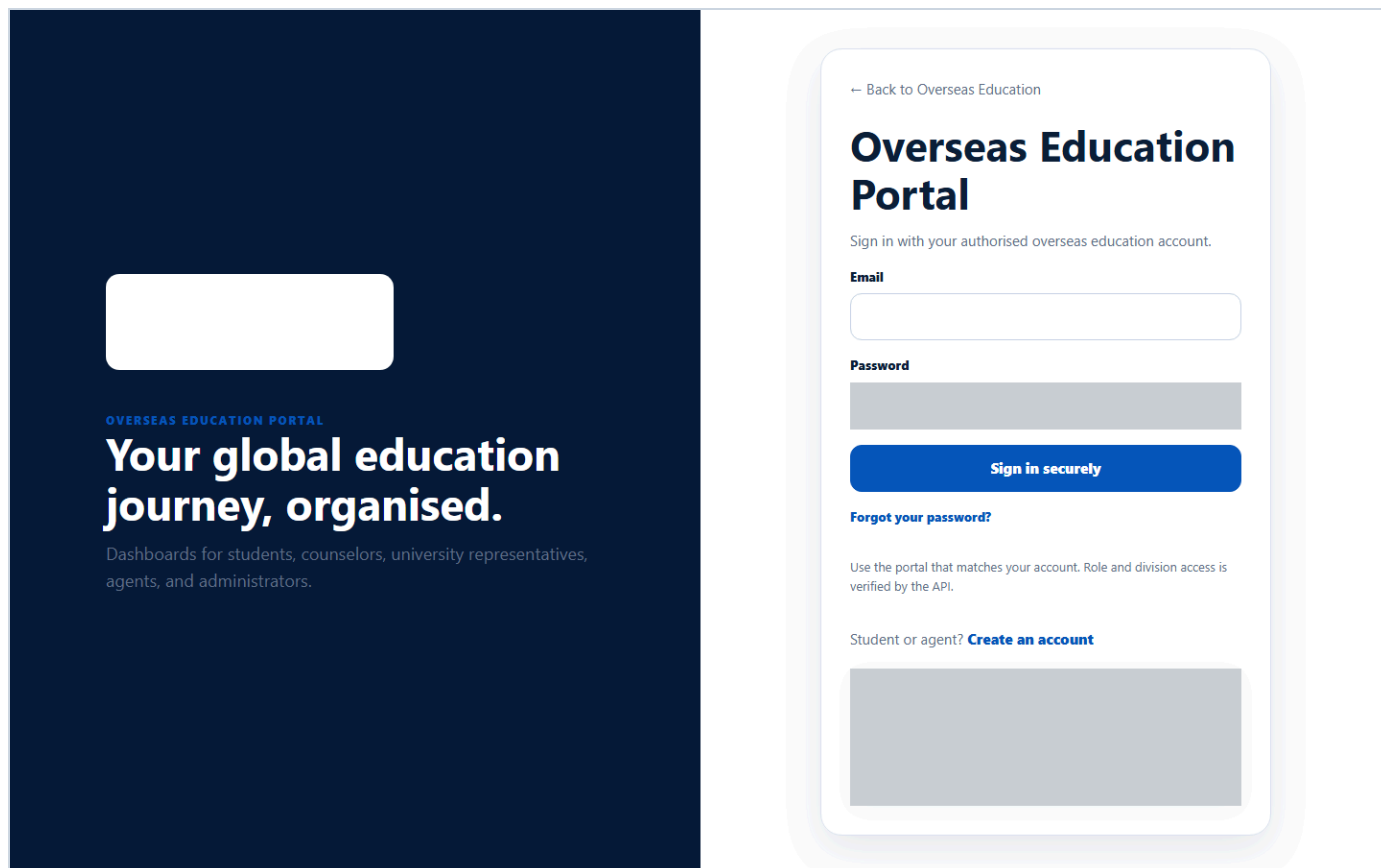

How to Access

Go to the EduSphere website and open **/overseas/login** (the “Overseas Portal” link in the site footer also leads there).

Steps

Step 1 — Open the sign-in page

The page is titled **Overseas Education Portal**. It talks about overseas education, but it is also the sign-in page for every school role.

Sign-in page

Step 2 — Sign in

Type your **Email** and **Password** and click **Sign in securely**.

Step 3 — Arrive at your dashboard

EduSphere opens the dashboard for your role:

Your role	You land on	Sidebar menu
School Coordinator	School Coordinator dashboard	Dashboard, Students, Promotion, Transfers, Activities, Feedback, Team, Reports, Global Education, Entitlements, Notifications
Principal	Principal dashboard	Dashboard, Reports, Global Education, Feedback, Entitlements, Notifications
Teacher	Teacher dashboard ("Your students")	Dashboard, Attendance
Parent	Parent dashboard ("My children")	Dashboard, Notifications
Academic Team	Academic Team dashboard	Dashboard
Career Counselor	Career Counselor dashboard	Dashboard, Skills, Funding
Psychometric Team	Psychometric Team dashboard	Dashboard

A School Coordinator's dashboard after signing in

Fields

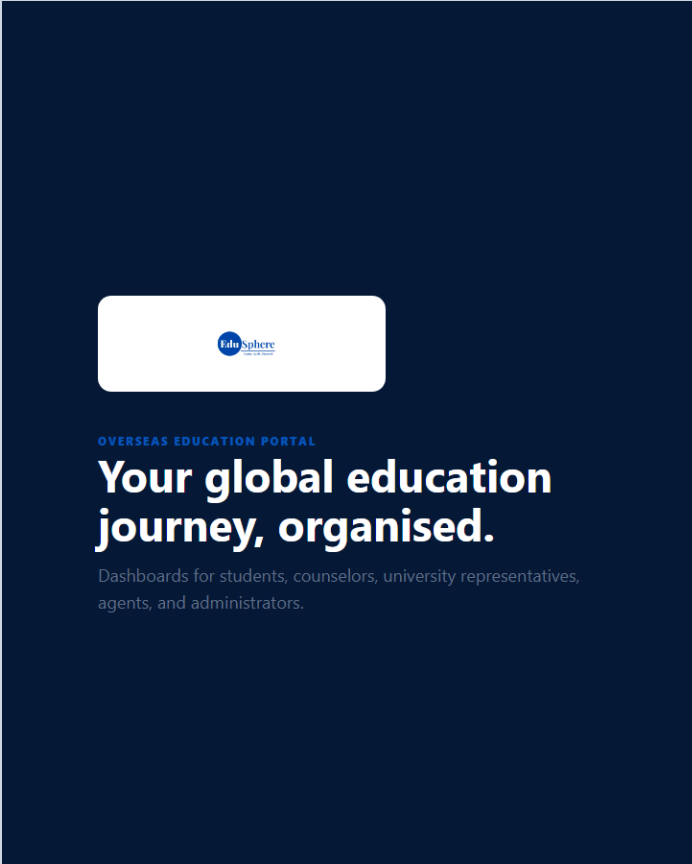

Field	Description	Required	Example
Email	The email your account was created with.	Yes	coordinator@school.example
Password	Your password.	Yes	(your password)

Expected Result

You see your role's dashboard, with your role and name at the top of the sidebar.

Validation Messages

Message	When
Invalid credentials	The email or password is wrong, or the account has been deactivated.
Use the correct EduSphere portal for this account: sign in at /overseas/login	You signed in on the IT Training portal (/it/login) with a school account.

← Back to Overseas Education

Password

Use the correct EduSphere portal for this account: sign in at /overseas/login

Sign in securely

Forgot your password?

Use the portal that matches your account. Role and division access is verified by the API.

New student? [Create an account](#)

Wrong portal

Common Errors

Problem: “Invalid credentials” although you are sure of your password. **Cause:** Your account may have been deactivated. The message is the same for a wrong password and a deactivated account. **Resolution:** Try [Forgot your password?](#). If that does not help, ask your School Coordinator (Principals, Teachers, Parents) or EduSphere (Coordinators and specialists) whether your account is active.

Problem: “Use the correct EduSphere portal for this account...”. **Cause:** You used the IT Training sign-in page. **Resolution:** Sign in at **/overseas/login**.

Tips

- A sign-in does not last forever; when it ends you see “Access unavailable — Not authenticated” (see [Sign out and session expiry](#)).
- The demo-accounts box on the sign-in page (development servers only) lists overseas accounts, not school ones.

Related Features

- [Accept a school invitation](#)

Accept a school invitation and set up your login

Doc ID: DOC-SCH-AUTH-002 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: Principal, Teacher, Parent (invited)

Purpose

Create your EduSphere login after your School Coordinator invites you as a **Principal, Teacher** or **Parent**.

Who Can Use This Feature

A person who has received the invitation email. You choose only a password — your name, email and role come from the invitation.

Prerequisites

- An email titled “**You’re invited to join {school} on EduSphere**”.
- The invitation is less than 7 days old and has not been used.

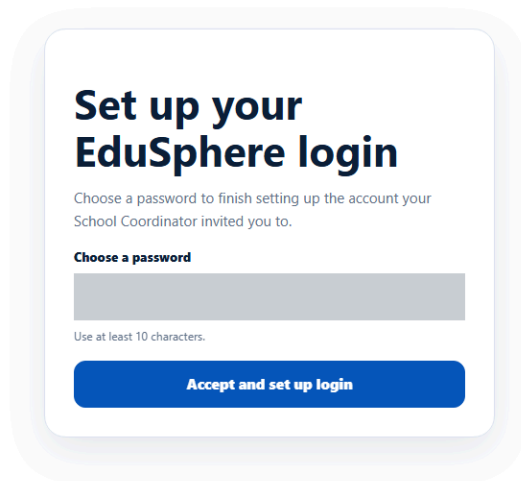

How to Access

Open the link in the invitation email. It opens the page **Set up your EduSphere login**.

Steps

Step 1 — Open the invitation link

Click the link in the email.

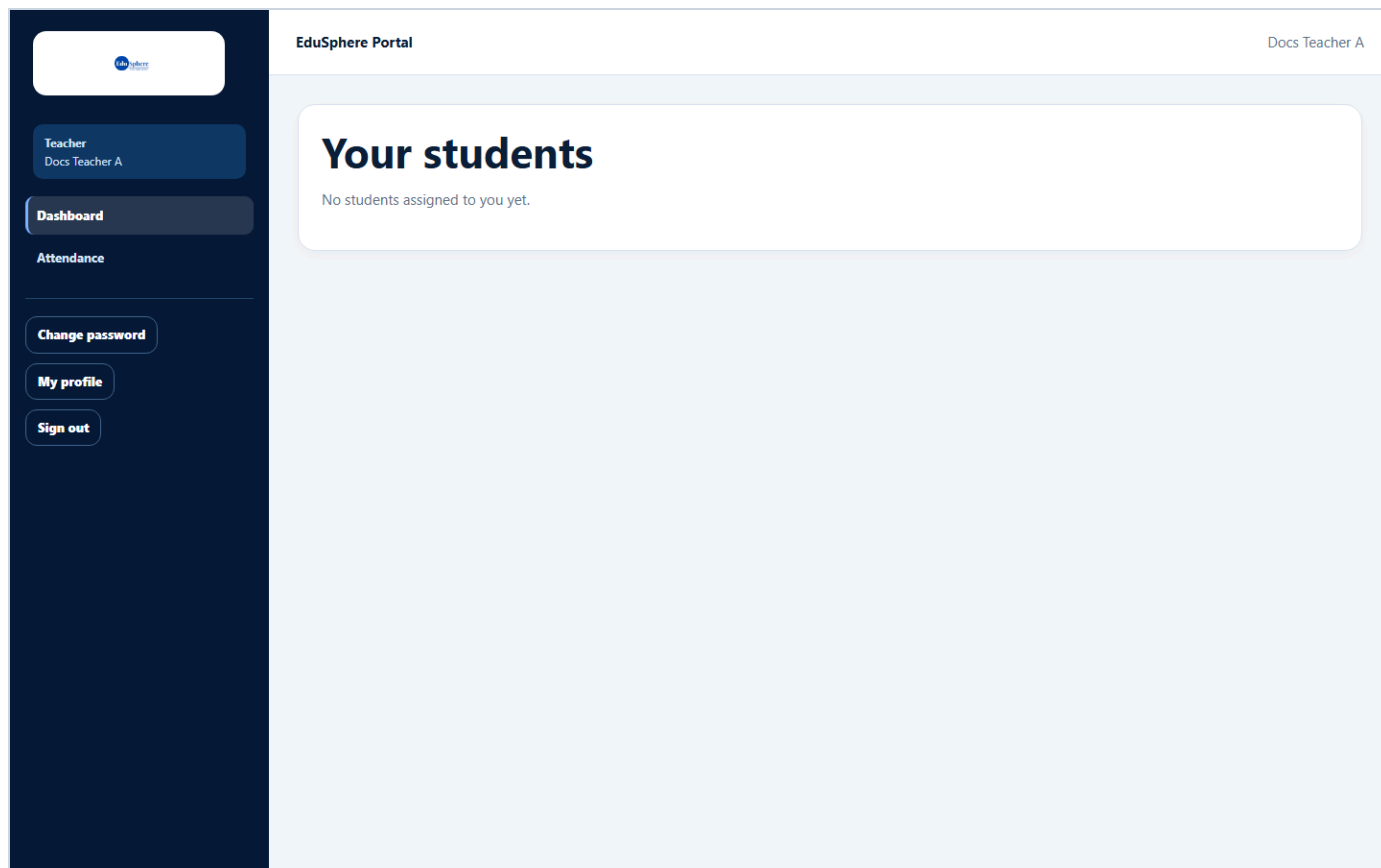

Set up your EduSphere login

Step 2 — Choose a password

Type a password of at least 10 characters in **Choose a password** and click **Accept and set up login**.

Step 3 — Start using EduSphere

You are signed in straight away and taken to your dashboard (no separate message is shown). Next time, sign in at **/overseas/login** with your email and this password.

A Teacher's dashboard right after accepting

Fields

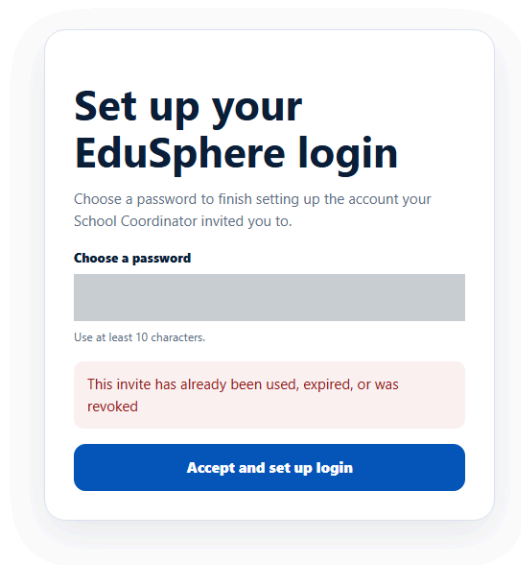

Field	Description	Required	Example
Choose a password	Your new password; at least 10 characters.	Yes	(your password)

Expected Result

Your account exists, you are signed in, and you see your role's dashboard. A Teacher with no students yet sees "No students assigned to you yet."

Validation Messages

Message	When
Your browser asks for a longer password	The password has fewer than 10 characters.
This invite has already been used, expired, or was revoked	The link was already used, or is more than 7 days old.
Email already exists	An EduSphere account with this email already exists. <i>(From code.)</i>

Invitation already used

Common Errors

Problem: “This invite has already been used, expired, or was revoked”. **Cause:** You (or someone using your email) already accepted it, or 7 days have passed. **Resolution:** If you already set a password, [sign in](#) or use [Forgot your password?](#) Otherwise ask your School Coordinator to invite you again.

Problem: You never received the invitation email. **Cause:** The email went to spam, or the school’s email could not be sent. (Invitations sent from the **Team** page show the Coordinator “share the link manually” when the email fails; invitations sent from a student’s record do not.) **Resolution:** Ask your School Coordinator.

Tips

- Keep the invitation email until you have signed in once; the link works only once.
- VERIFICATION REQUIRED: the screen shown for an invitation older than 7 days was not tested; the code returns the same message as for a used invitation.

Related Features

- [Sign in](#)

Set your first password from a welcome link

Doc ID: DOC-SCH-AUTH-003 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator, Academic Team, Career Counselor, Psychometric Team

Purpose

Choose your password the first time, after EduSphere creates your account as a **School Coordinator** or as an EduSphere school specialist (**Academic Team**, **Career Counselor**, **Psychometric Team**).

Who Can Use This Feature

New School Coordinators and school specialists.

Prerequisites

An email titled **“Welcome to EduSphere – set your password”**, less than 72 hours old.

How to Access

Open the link in the welcome email. It opens the page **Choose a new password**.

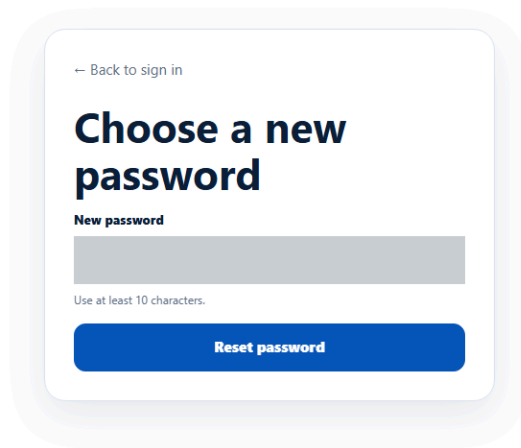

Steps

Step 1 — Open the link

Click the link in the welcome email.

Step 2 — Choose your password

Type a password of at least 10 characters in **New password** and click **Reset password**.

← Back to sign in

Choose a new password

New password

Use at least 10 characters.

Reset password

Choose a new password

Step 3 — Sign in

You are taken to the sign-in page. Sign in with your email and the new password (see [Sign in](#)). EduSphere opens your dashboard.

A new School Coordinator's first dashboard

Fields

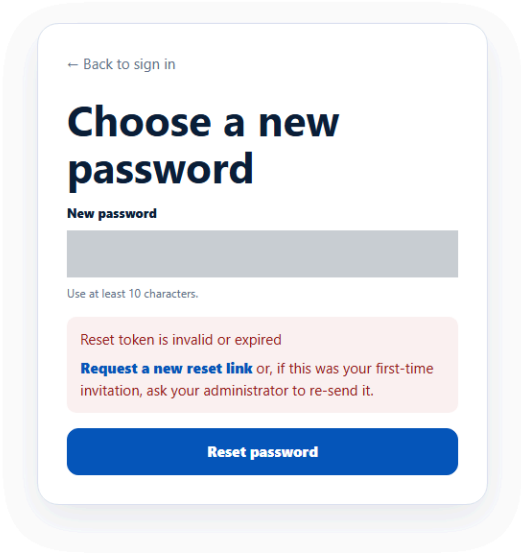

Field	Description	Required	Example
New password	10 to 128 characters.	Yes	(your password)

Expected Result

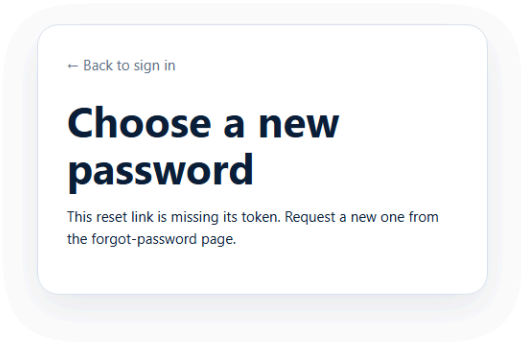

Your password is set and you can sign in. A new school's dashboard shows zeros until students are added.

Validation Messages

Message	When
Reset token is invalid or expired — "Request a new reset link or, if this was your first-time invitation, ask your administrator to re-send it."	The link was already used, is older than 72 hours, or was replaced by a newer link.
This reset link is missing its token. Request a new one from the forgot-password page.	The address was cut short (for example copied without its end).
Password must be at least 10 characters / at most 128 characters	The password length is wrong. <i>(From code.)</i>

Invalid or expired link

Link missing its token

Common Errors

Problem: “Reset token is invalid or expired”. **Cause:** More than 72 hours have passed, the link was already used, or an administrator sent you a newer link (only the newest works — *from code*). **Resolution:** Ask your Overseas Admin to re-send the link, then use the newest email.

Tips

- The welcome page is the same page used for password resets, which is why its button says **Reset password**.

Related Features

- [Sign in](#)
- [Forgot your password](#)
- Admin manual: Re-send a set-password link (*see the Administrator Manual*)

Forgot your password

Doc ID: DOC-SCH-AUTH-004 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: all school roles

Purpose

Ask for a link to choose a new password when you have forgotten yours.

Who Can Use This Feature

Any school user with an active account.

Prerequisites

Your account is active and already has a password. (New users who never set a password use their welcome or invitation link instead.)

How to Access

Sign-in page > **Forgot your password?** (opens `/overseas/forgot-password`).

Steps

Step 1 — Request instructions

Type your **Email** and click **Send reset instructions**.

← Back to sign in

Reset your password

Enter the email on your Overseas Education account and we'll send reset instructions.

Email

docs.teacher.a@example.test

Send reset instructions

Reset your password

The page always answers: "If an account exists for that email, we've sent instructions to reset the password." — even when the email is unknown, so nobody can use this page to find out who has an account.

← Back to sign in

Reset your password

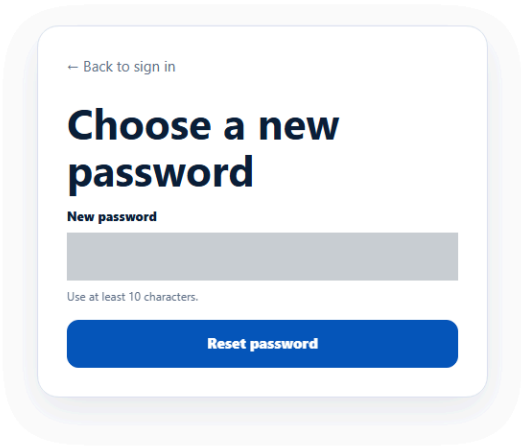

Enter the email on your Overseas Education account and we'll send reset instructions.

If an account exists for that email, we've sent instructions to reset the password.

Request sent

Step 2 — Open the reset link and choose a new password

Open the reset link you receive. On **Choose a new password**, type a new password (10 to 128 characters) and click **Reset password**. You are taken to the sign-in page.

Choose a new password (the same form as for a first password)

Step 3 — Sign in

Sign in with your new password.

Fields

Field	Description	Required	Example
Email	The email of your account.	Yes	teacher@school.example
New password	10 to 128 characters.	Yes	(your password)

Expected Result

Your password is changed and you can sign in with it. A reset link works for **30 minutes** and only once (*from code*).

Validation Messages

Message	When
If an account exists for that email, we’ve sent instructions to reset the password.	Always, after Send reset instructions .

Message	When
Reset token is invalid or expired	The link was already used, is older than 30 minutes, or you changed your password after requesting it.

Common Errors

Problem: No reset email arrives. **Cause:** On the documentation server no reset email was sent at all: reset instructions are delivered through a separate EduSphere message service that must be set up by EduSphere (VERIFICATION REQUIRED for your environment). Deactivated accounts also never receive one. **Resolution:** Check spam, wait a few minutes, then contact your administrator — your School Coordinator (Principals, Teachers, Parents) or EduSphere’s Overseas Admin (Coordinators and specialists). An Overseas Admin can also re-send a set-password link to accounts that never set a password.

Problem: “Reset token is invalid or expired”. **Cause:** More than 30 minutes passed, the link was already used, or you changed your password since. **Resolution:** Request a new link and use it straight away. (Requesting another link does not cancel earlier ones; each link works for 30 minutes.)

Tips

- If you know your current password and only want to change it, use [Change your password](#) instead.

Related Features

- [Set your first password from a welcome link](#)
- [Change your password](#)

Change your password

Doc ID: DOC-SCH-AUTH-005 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: all school roles

Purpose

Replace your password with a new one while you are signed in.

Who Can Use This Feature

Any signed-in school user.

Prerequisites

You know your current password. (If not, use [Forgot your password](#).)

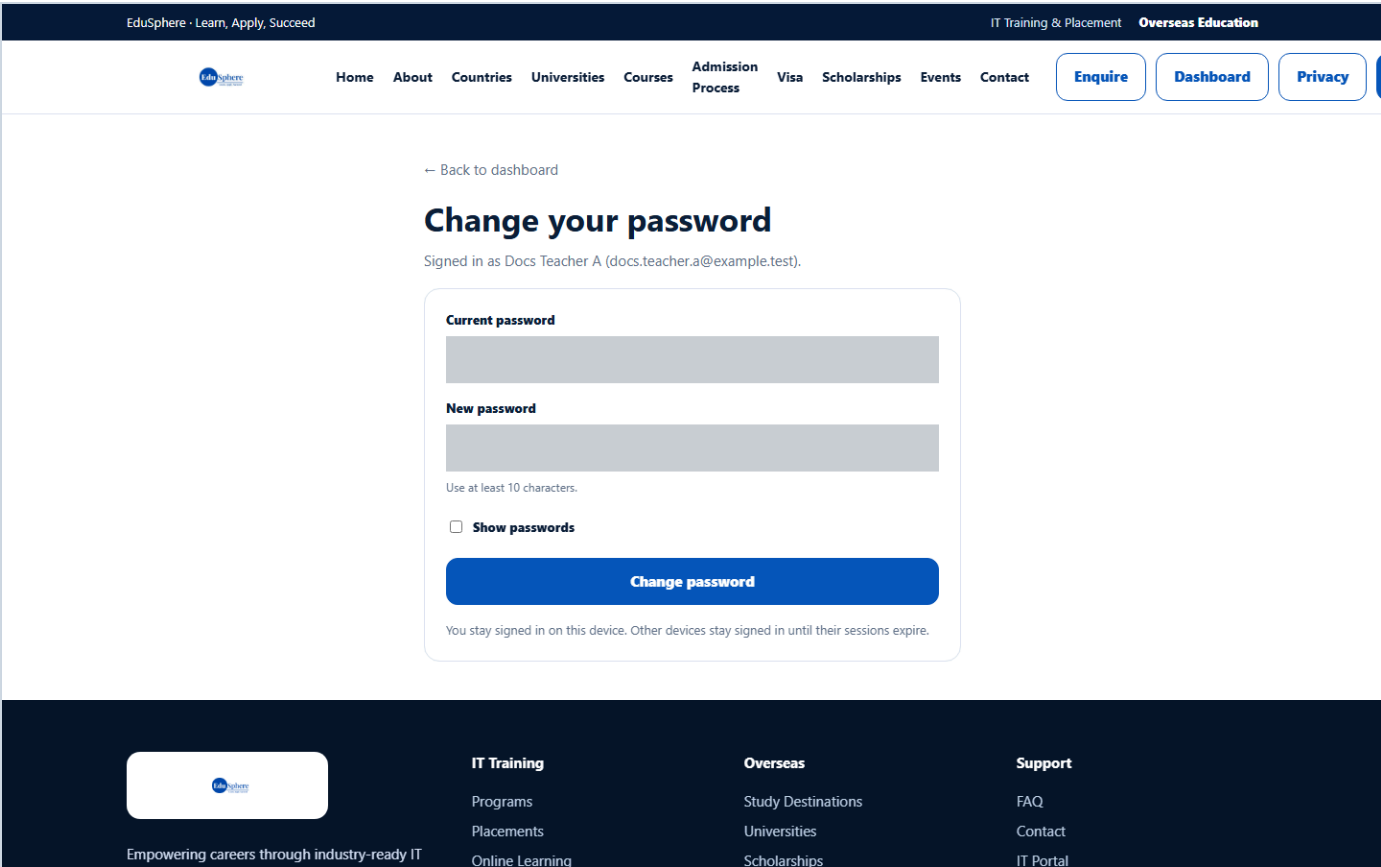

How to Access

Sidebar footer > **Change password**. The page opens in the public website layout, with ← **Back to dashboard** at the top.

Steps

Step 1 — Fill in the form

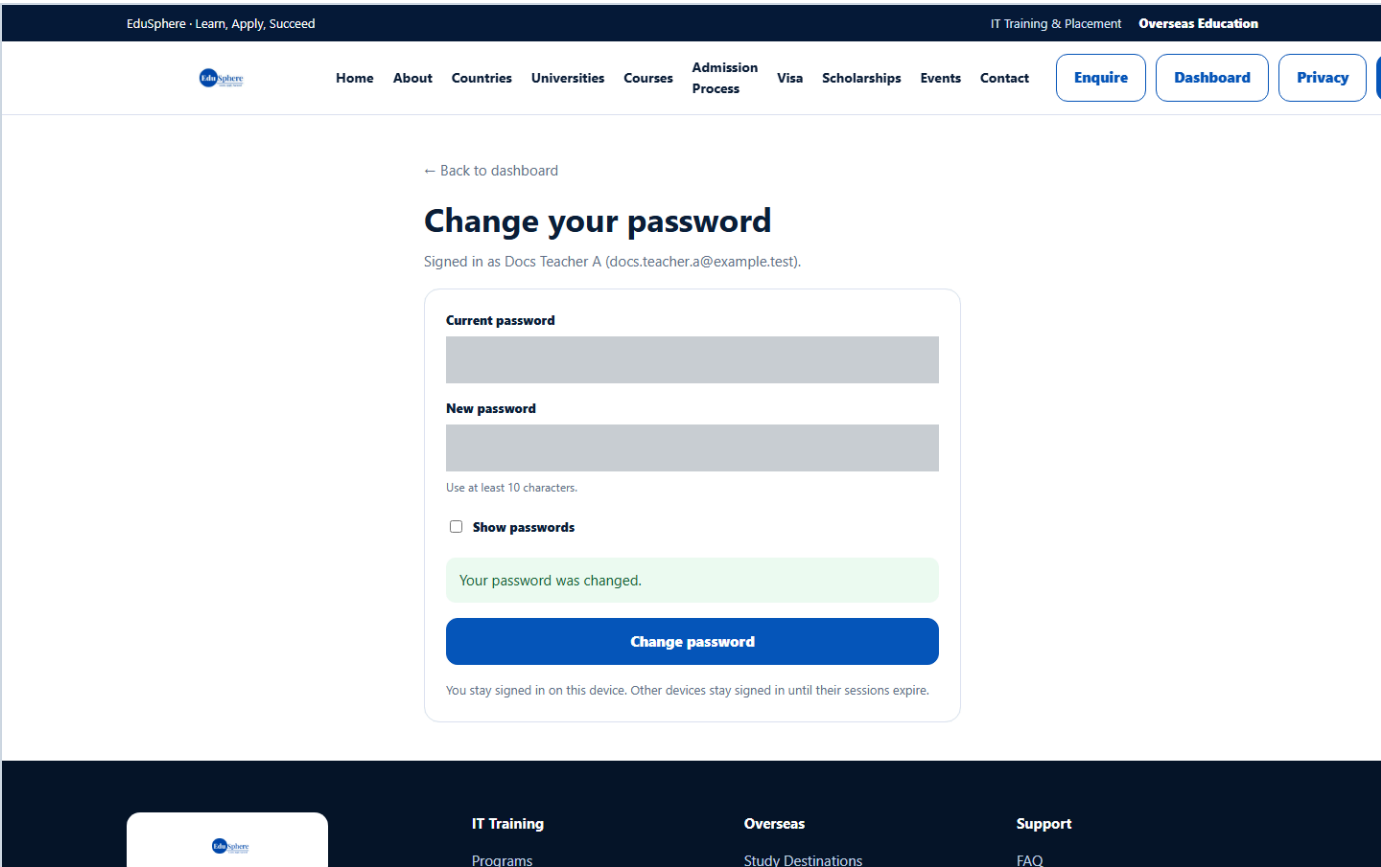

Type your **Current password** and your **New password** (at least 10 characters). Tick **Show passwords** if you want to check what you typed.

Change your password

Step 2 — Save

Click **Change password**. The message “Your password was changed.” appears.

Password changed

Fields

Field	Description	Required	Example
Current password	The password you use now.	Yes	(current password)
New password	10 to 128 characters, different from the current one.	Yes	(new password)
Show passwords	Shows both passwords as plain text.	No	—

Expected Result

Use the new password the next time you sign in. You stay signed in on this device; other devices stay signed in until their sessions end.

Validation Messages

Message	When
Incorrect current password (with a Forgot your current password? link)	The current password is wrong.
New password must be different from the current password	Both passwords are the same. <i>(From code.)</i>
Password must not consist only of spaces	The new password is only spaces. <i>(From code.)</i>
Too many incorrect attempts. Try again in ...	Five wrong current passwords within 15 minutes. <i>(From code.)</i>

Notification settings saved

Fields

Field	Description	Required	Example
Full name	Your name as shown to others. 2–160 characters.	Yes	Docs Teacher A
Phone	Your mobile number. Needed for WhatsApp/SMS.	No	+91 98200 12345
Email / In-app	Always on; cannot be turned off.	—	—
WhatsApp	Also send updates by WhatsApp.	No	ticked
SMS	Also send updates by SMS.	No	not ticked

Your email address cannot be changed here.

Expected Result

Your details and channel choices are saved. By ticking WhatsApp or SMS you agree to receive those messages; you can turn them off here at any time.

Validation Messages

Message	When
Add a mobile number in your profile above to turn on WhatsApp or SMS.	You have no phone number saved. <i>(From code.)</i>
Add a valid mobile number to your profile first	The saved number cannot be used for WhatsApp/SMS. <i>(From code.)</i>
Couldn't save your settings. Check your connection and try again.	The settings could not be saved. <i>(From code.)</i>

Common Errors

Problem: WhatsApp and SMS cannot be ticked. **Cause:** No valid mobile number is saved. **Resolution:** Enter your **Phone**, click **Save changes**, then tick the channel.

Tips

- Save the phone number first; the WhatsApp/SMS boxes unlock after the profile is saved.
- VERIFICATION REQUIRED: whether WhatsApp and SMS messages are actually delivered depends on how EduSphere has set up those services (they were not active on the documentation server).

Related Features

- [Change your password](#)

Sign out and session expiry

Doc ID: DOC-SCH-AUTH-007 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: all school roles

Purpose

End your session safely, and understand what happens when a session ends by itself.

Who Can Use This Feature

Any signed-in school user.

Prerequisites

You are signed in.

How to Access

Sidebar footer > **Sign out**.

Steps

Step 1 — Sign out

Click **Sign out** at the bottom of the sidebar. You are taken to the EduSphere home page.

Step 2 — When your session has ended

If you return to a portal page after your session has ended, you see **Access unavailable — Not authenticated** with a **Return to login** button. Click it and sign in again.

Access unavailable

Not authenticated

Return to login

Session ended (the same screen as after signing out)

Fields

None.

Expected Result

After **Sign out**, portal pages show “Access unavailable — Not authenticated” until you sign in again.

Validation Messages

Message	When
Access unavailable — Not authenticated	You are not signed in, or your session ended.

Common Errors

Problem: “Not authenticated” in the middle of your work. **Cause:** A session lasts a limited time. *(From code: about 60 minutes after you sign in, whether or not you are active. The documentation team confirmed the screen by removing the session, not by waiting 60 minutes.)* **Resolution:** Click **Return to login** and sign in again. Unsaved changes on the page may be lost, so save long forms regularly.

Tips

- **On a phone or narrow window there is no Sign out button:** the menu (**Open menu**) shows Change password, My profile and your pages, but not Sign out. Close the browser, or widen the window to see

the sidebar, to sign out.

- On a shared computer, always sign out and close the browser.

Related Features

“Access unavailable” messages

Doc ID: DOC-SCH-AUTH-008 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: all school roles

Purpose

Understand why EduSphere shows **Access unavailable** and what to do next.

Who Can Use This Feature

Any school user.

Prerequisites

None.

How to Access

The message appears instead of a page you tried to open.

What the messages mean

You see	Why	What to do
Access unavailable — Not authenticated with Return to login	You are signed out, or your session ended.	Click Return to login and sign in.
Access unavailable — {Role} role required (for example “Principal role required”) with Go to your dashboard and Sign out	The page belongs to another role.	Click Go to your dashboard .
Access unavailable — This student is at a different institution with Back to students	The student belongs to another school.	Go back; you can only open your own school’s students.
Invalid credentials on the sign-in page	Wrong email or password, or your account has been deactivated.	See Sign in .

Steps

Step 1 — Signed out

Opening a portal page without being signed in shows “Not authenticated”.

Access unavailable

Not authenticated

[Return to login](#)

Signed out

Step 2 — Another role’s page

A Teacher opening a Principal page sees “Principal role required”.

Access unavailable

Principal role required

[Go to your dashboard](#)

[Sign out](#)

Wrong role

Step 3 — Another school's student

A Coordinator opening a student from a different school sees "This student is at a different institution".

Access unavailable

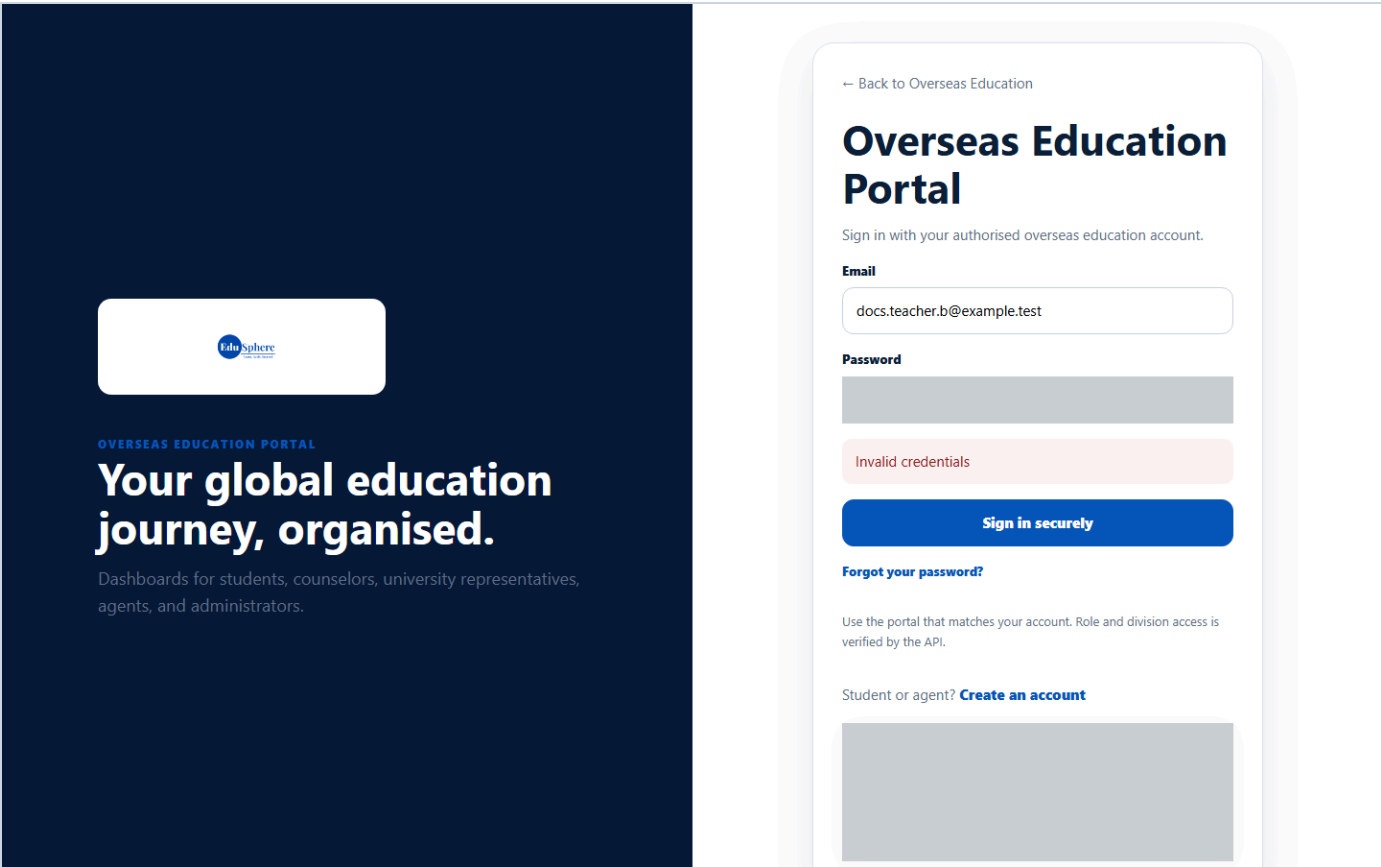

This student is at a different institution

[Back to students](#)

Other school's student

Step 4 — Deactivated account

A deactivated user cannot sign in; the sign-in page says only "Invalid credentials".

Deactivated account

Fields

None.

Expected Result

You understand the reason and can return to a page you are allowed to use.

Validation Messages

See the table above.

Common Errors

Problem: You think you should be able to see the page. **Cause:** Your role or school does not match the page, or your account was deactivated. **Resolution:** School staff and parents: ask your School Coordinator. Coordinators and EduSphere specialists: ask your Overseas Admin.

Tips

- Similar messages exist for other cases, for example “This student is not assigned to you” (Teachers) and “This student is not linked to your account” (Parents) (from code). See [Student profile and journey timeline](#) and [Your child’s profile and progress](#).
- Some pages of another role may open instead of showing this message, but they only ever show your own data. Use the pages in your own sidebar.

Find your way around

Doc ID: DOC-SCH-AUTH-009 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: all school roles

Purpose

Learn the parts of the school portal screen that are the same for every role.

Who Can Use This Feature

Every school user.

Prerequisites

You are signed in.

How to Access

Every portal page.

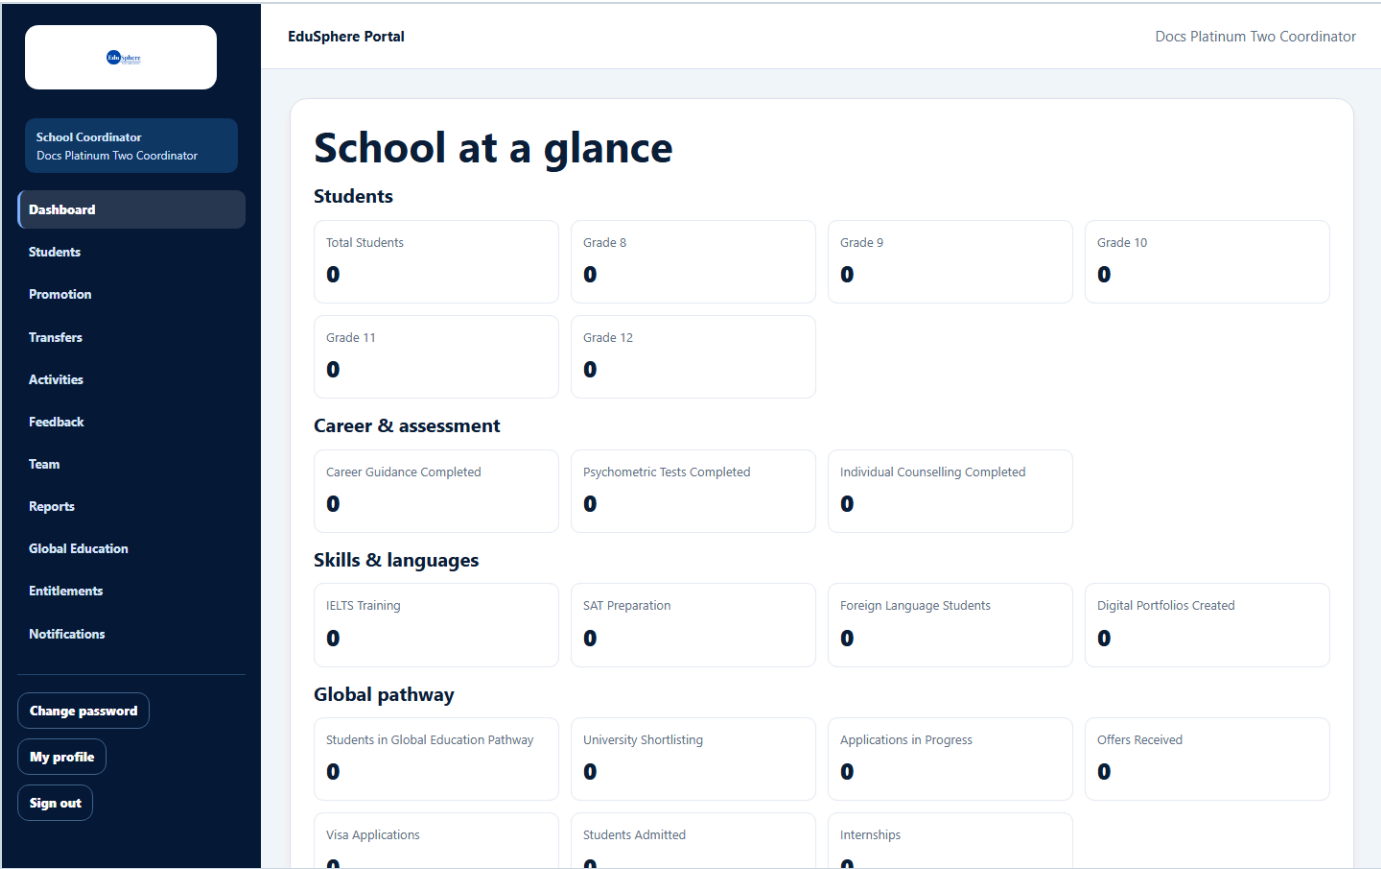

Steps

Step 1 — The sidebar (wide screens)

On the left:

1. The EduSphere logo (links to the website home page).
2. Your **role** and **name** (for example “School Coordinator — Docs Platinum Two Coordinator”).
3. Your role’s pages. The page you are on is highlighted.
4. **Change password**, **My profile** and **Sign out** at the bottom.

The top bar shows **EduSphere Portal** and your name.

Coordinator sidebar

Step 2 — The menu (phones and narrow windows)

When the window is narrower than about 980 pixels (*from code; seen at 390 pixels*), the sidebar is replaced by a menu button (**Open menu**) at the top right. It lists **Change password**, **My profile** and your role’s pages.

School Coordinator dashboard

Doc ID: DOC-SCH-DASH-001 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Role: School Coordinator

Purpose

See your school's key figures at a glance and jump to the screens you use most.

Who Can Use This Feature

School Coordinator. The Principal has a similar dashboard (see [Principal dashboard](#)).

Prerequisites

You are signed in as a School Coordinator.

How to Access

The dashboard opens after you sign in. At any time: sidebar > **Dashboard**.

Steps

Step 1 — Read “School at a glance”

The card shows 20 figures in four groups: **Students**, **Career & assessment**, **Skills & languages** and **Global pathway**. The definitions are in the table below.

Step 2 — Use the lower cards

- **Your school** shows “{n} students on your roster.” and four shortcuts: **Go to student roster**, **Go to bulk upload**, **Go to activities**, **Go to reports**.
- **Upcoming activities** lists the next 10 scheduled activities (Title, When in IST), soonest first.
- **Results & guidance** counts published results, career guidance/counselling records and psychometric assessments.

Go to activities

Go to reports

Upcoming activities

TITLE	WHEN
Docs Career Seminar	13 Oct 2026, 10:00 IST
Annual Sports Day	15 Oct 2026, 23:58 IST

Results & guidance

4 published results, 6 career guidance/counselling records, 5 psychometric assessments.

Lower cards

Fields

Figure	What it counts
Total Students	Every student on your roster.
Grade 8 ... Grade 12	Students in that grade (taken from the grade level, or from the Grade/Class text such as "Grade 9" or "Class 9"). Grades below 8 have no tile.
Career Guidance Completed	Students with a guidance session marked Completed or Follow-up Required (or recorded before statuses were tracked).
Psychometric Tests Completed	Students with a completed psychometric assessment.
Individual Counselling Completed	Students with a counselling note marked Completed or Follow-up Required (or recorded before statuses were tracked).
IELTS Training / SAT Preparation	Students with any IELTS / SAT test-preparation record.
Foreign Language Students	Students with any language-class record.
Digital Portfolios Created	Students whose Digital Portfolio has been started.
Students in Global Education Pathway	Students with at least one overseas application.
University Shortlisting	Students whose application has reached university selection or later.
Applications in Progress	Applications (not students) that are not withdrawn, rejected or enrolled.

Figure	What it counts
Offers Received	Applications with an offer.
Visa Applications	Students with a visa case.
Students Admitted	Students whose application is at "enrolled".
Internships	Students with an internship entry in their portfolio.

(Definitions are from code; the figures were checked against the documentation data.)

Expected Result

You see up-to-date figures every time you open the page.

Validation Messages

None. The page is read-only.

Common Errors

Problem: The whole page shows "Access unavailable" with an error message. *(From code.)* **Cause:** The dashboard figures could not be fetched. **Resolution:** Refresh the page. If it keeps happening, contact your EduSphere Overseas Admin.

Problem: The **Results & guidance** card is missing. **Cause:** It is hidden when all three counts are 0, or when one of them could not be loaded *(from code)*. **Resolution:** None needed for a new school; otherwise refresh.

Tips

- Most figures count **students**, but **Applications in Progress** and **Offers Received** count **applications**. A student with two applications counts twice there.
- The grade tiles can differ from the **Students by grade** chart on the Reports page, which groups by the Grade/Class text exactly as typed (see [School summary](#)).
- A new school sees "No students yet. Add your first student, or upload your roster in bulk." *(from code)*.

Principal dashboard

Doc ID: DOC-SCH-DASH-002 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Role: Principal

Purpose

See your school's key figures and open any student's profile.

Who Can Use This Feature

Principal (read only).

Prerequisites

You are signed in as a Principal.

How to Access

The dashboard opens after you sign in. At any time: sidebar > **Dashboard**.

Steps

Step 1 — Read “School at a glance”

The same 20 figures as the School Coordinator sees, in four groups. See the definitions in [School Coordinator dashboard](#).

Docs Student Ananya	Grade 10	Timeline
Docs Student Arjun	Grade 9	Timeline
Docs Student Dev	Grade 12	Timeline
Docs Student Existing Parent	Grade 9	Timeline

Your school roster

Step 3 — Go to reports

Below the roster, **View full reports** opens the Reports page (*from code*). **Results & guidance** shows the same counts as on the Coordinator dashboard.

Fields

See [School Coordinator dashboard](#).

Expected Result

Clicking **Timeline** opens `/school/principal/students/{id}`, the student's profile (verified in S10).

Validation Messages

None. The page is read-only.

Common Errors

Problem: "This section couldn't load. Refresh to try again." (*From code*.) **Cause:** The figures could not be fetched. **Resolution:** Refresh the page.

Tips

- The Principal sidebar has no **Students** item. The dashboard roster (or the scorecards on the Reports page) is the way to reach a student.

- The roster has no search or paging; use your browser's find (Ctrl+F) on a large school.
- With no students you see "No students yet. Ask your School Coordinator to add your first student." (*from code*).

Results & guidance

Teacher dashboard

Step 2 — Open the student

Click **View** to open the student's profile and journey timeline.

Step 3 — Check results and guidance

Results & guidance, below the list, counts published results, career guidance/counselling records and psychometric assessments for **your** students only.

Fields

Column	Description
Name	Student's full name.
Grade/Class	As entered by the School Coordinator.

Expected Result

View opens `/school/teacher/students/{id}` (verified in S10).

Validation Messages

None. The page is read-only.

Common Errors

Problem: “No students assigned to you yet.” (*From code.*) **Cause:** No student has you as class teacher.

Resolution: Ask your School Coordinator to assign your students.

Tips

- The list has no search or paging.
- To mark daily attendance, use sidebar > **Attendance** (see [Daily class attendance](#)).

Related Features

- [Student profile and journey timeline](#)
- [Daily class attendance](#)

Parent dashboard

Doc ID: DOC-SCH-DASH-004 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Role: Parent

Purpose

See all your children's progress, upcoming school sessions and your latest notifications on one page.

Who Can Use This Feature

Parent.

Prerequisites

Your child's school has linked you to your child.

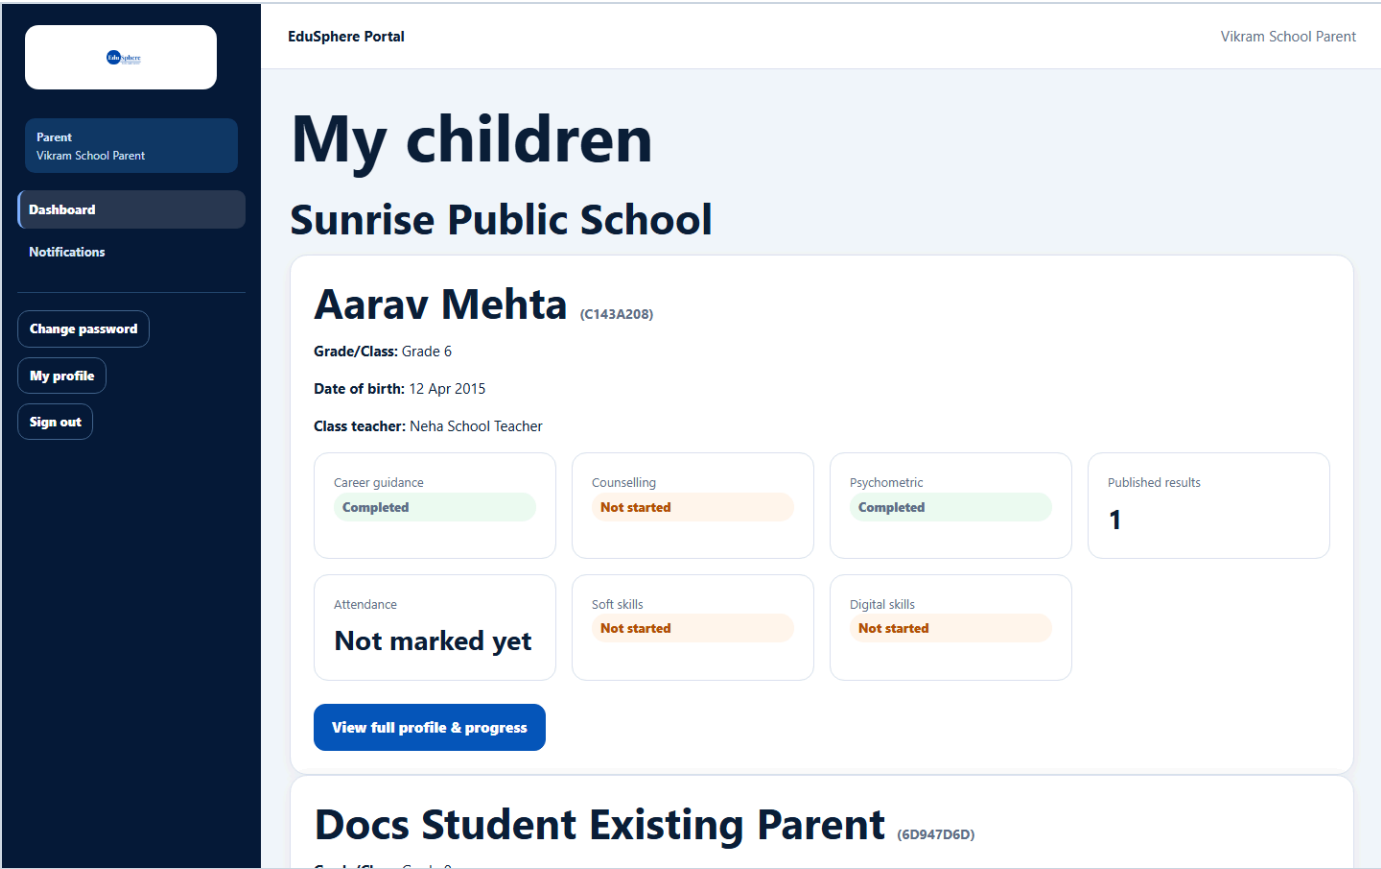

How to Access

The dashboard opens after you sign in. At any time: sidebar > **Dashboard**.

Steps

Step 1 — Find your child

My children shows one card per child: name and Student ID, **Grade/Class**, **Date of birth** and **Class teacher**, then a row of status tiles.

My children

Step 2 — Children at more than one school

When your children are at different schools, the cards are grouped under each school’s name. There is no school switcher; every child is shown at once.

Docs Career Seminar is scheduled for 13 Oct 2026, 04:30. [Open](#)

[All notifications](#)

Upcoming sessions and notifications

Fields

Title	Meaning
Career guidance, Counselling, Psychometric	Not started, In progress, Assigned or Completed.
Published results	Number of results the school has published.
Attendance	Daily class attendance over the last marked days, or “Not marked yet”.
Soft skills, Digital skills	Status of the child’s skills batch.

Expected Result

You see every linked child with their current status.

Validation Messages

None. The page is read-only.

Common Errors

Problem: “No child linked to your account yet. Contact your school to get set up.” (From code.) **Cause:** The school has not linked you to a child. **Resolution:** Contact the School Coordinator.

Problem: The “{n} unread” number never goes down. **Cause:** Opening a notification from the parent pages does not mark it read (confirmed in S10; U8). **Resolution:** None at present. The number counts every

notification you have received.

Tips

- **Attendance** is the teacher's daily class attendance. Activity attendance (for example a career seminar) is shown in the **Activities** table on the child's full profile instead.
- **Upcoming sessions** lists all upcoming activities at the school, not only those your child is enrolled in.
- The time written inside "Upcoming session: ..." notifications is in UTC (for example 04:30 for a 10:00 IST session); the **Upcoming sessions** list shows the correct IST time (U9).
- **Recommended careers** badges appear on the card once the Career Counselor records a recommendation (*from code*).

Academic Team dashboard

Doc ID: DOC-SCH-DASH-005 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Role: Academic Team

Purpose

Your single workspace: every Academic Team task is done on this page.

Who Can Use This Feature

Academic Team members, for the schools in their portfolio.

Prerequisites

The Overseas Admin has assigned schools to your portfolio.

How to Access

The dashboard opens after you sign in. It is the only sidebar item.

Steps

Step 1 — Know the sections

From top to bottom:

Section	What you do there	Guide
Portfolio progress	Results count and average per student	Portfolio progress
Results + Upload a result	Enter, verify and publish results	Upload a result , Verify and publish
Bulk entry — results (CSV)	Upload many results	Bulk results
Test preparation	IELTS / SAT preparation	Test preparation
Foreign language classes	Language classes and certification	Foreign language classes
Bulk entry — test preparation / language classes	Upload many records	Bulk test prep and language
Students	Open a student's page (Digital Portfolio, 360° view)	Digital Portfolio

Academic Team dashboard

Fields

See each linked guide.

Expected Result

You find every task on one page.

Validation Messages

See each linked guide.

Common Errors

Problem: "No students in your portfolio yet. Contact your Overseas Admin." **Cause:** No school is assigned to your portfolio. **Resolution:** Contact your Overseas Admin.

Tips

- The bulk-entry sections are collapsed; click their heading to open them.

Related Features

- Student 360° view

Career Counselor dashboard

Doc ID: DOC-SCH-DASH-006 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Role: Career Counselor

Purpose

Your main workspace for career guidance and counselling records.

Who Can Use This Feature

Career Counselor, for the schools in their portfolio.

Prerequisites

The Overseas Admin has assigned schools to your portfolio.

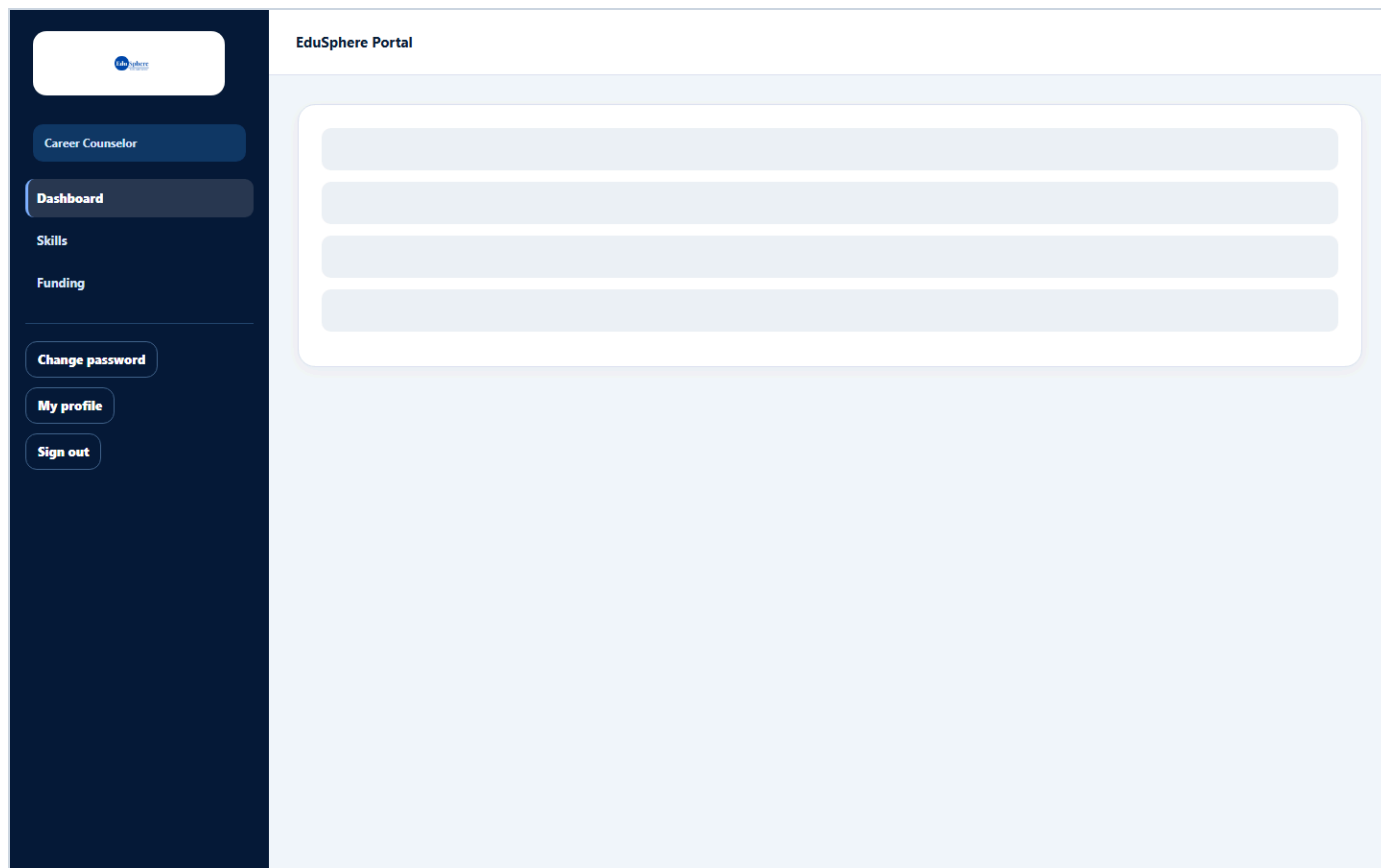

How to Access

The dashboard opens after you sign in. Sidebar: **Dashboard, Skills, Funding**.

Steps

Step 1 — Know the sections

Section	What you do there	Guide
Records	Every guidance session, counselling note and recommendation for students in your portfolio, including other counselors' records; Edit a record	Edit a record
Add a record	Record a session, note or recommendation	Add a record
Career preferences	A student's interests, countries and courses	Career preferences
Student 360° view	Open a student's 360° view (and set their career goal)	Career goal

Career Counselor dashboard

Step 2 — Use the other sidebar pages

- **Skills:** Soft Skills and Digital Skills batches (see [Skills batches](#)).
- **Funding:** education-loan and funding cases (see [Open a funding case](#)).

Fields

See each linked guide.

Expected Result

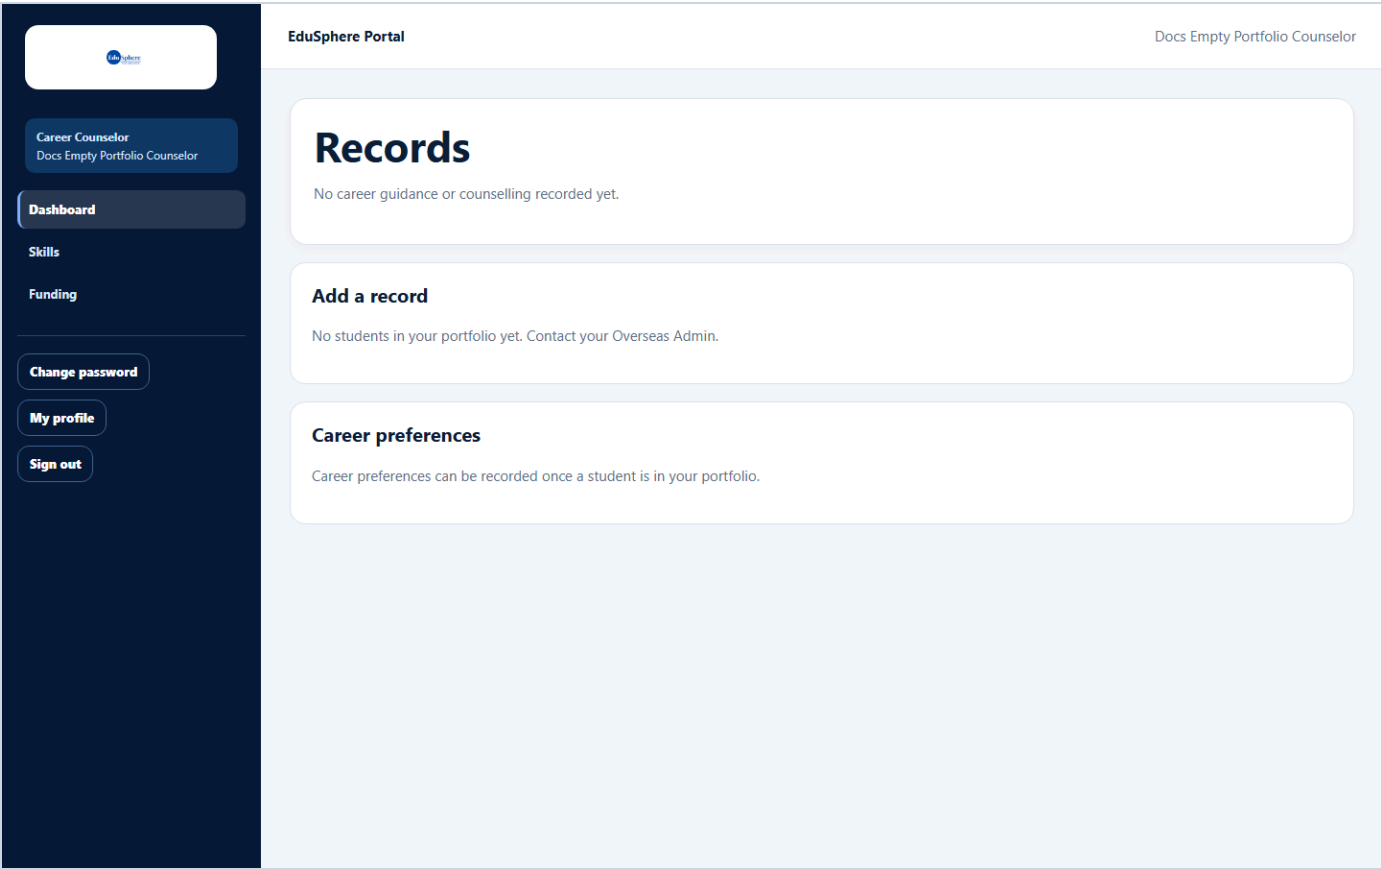

You find every task from this page or the sidebar.

Validation Messages

See each linked guide.

Common Errors

Problem: The dashboard is empty and the student pickers have no names. **Cause:** No school is assigned to your portfolio. **Resolution:** Contact your Overseas Admin.

Empty portfolio

Tips

- The Records table has no search; the newest records are at the top.

Related Features

- [Student 360° view](#)

Add one student

Identity

Full name Date of birth

Gender

Class placement

Student roster

Step 2 — Use the row actions

Each row has:

- **Edit** — change the student's details (see [Edit a student](#)).
- **Link parent** — connect an existing Parent account (see [Link a parent](#)).
- **Profile & timeline** — open the student's page (see [Student profile and journey timeline](#)).

Below the table is **Add one student** (see [Add one student](#)).

Fields

Column	Description
Student ID	The 8-character code EduSphere gives each student. Use it for transfers.
Name	The student's full name.
Grade/Class	The class label, for example "Grade 9".
Section, Roll no.	Class section and roll number ("-" when not recorded).
Parent	"Invite sent to {email}" while a parent invitation is waiting; otherwise "-".
Actions	Edit, Link parent, Profile & timeline.

Expected Result

You can see and act on every student at your school.

Validation Messages

None.

Common Errors

Problem: The roster says “No students yet. Add one below, or use bulk upload for many at once.” **Cause:** The school has no students yet. **Resolution:** Add students one at a time or [upload the roster in bulk](#).

EduSphere Portal Docs Platinum Two Coordinator

Add one student

Doc ID: DOC-SCH-STU-002 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator

Purpose

Add a single student to your school's roster, assign their class teacher and, optionally, invite or link their parent.

Who Can Use This Feature

School Coordinator.

Prerequisites

- To assign a teacher, the teacher has accepted their invitation (see [Invite a Principal, Teacher or Parent](#)).
- Students do not get their own login.

How to Access

Sidebar > **Students** > **Add one student** (below the roster).

Steps

Step 1 — Fill in the form

Only **Full name** is required. Fill in what you know in the four groups: **Identity**, **Class placement**, **Contact** and **Studies & interests**. In Studies & interests, separate several values with commas.

Add one student

Student added, parent invited

Fields

Field	Description	Required	Example
Full name	Student's full name.	Yes	Ananya Rao
Date of birth	Pick from the calendar.	No	14-07-2011
Gender	Not recorded, Female, Male, Other, Prefer not to say.	No	Female
Grade/Class	Class label as your school writes it (up to 60 characters).	No	Grade 9
Grade level (1-12, optional)	The grade as a number; needed for promotion and grade reports.	No	9
Section	Up to 20 characters.	No	A
Roll number	Unique within the grade, section and academic year.	No	1

Field	Description	Required	Example
Assigned Teacher	The class teacher (active teachers at your school).	No	Docs Teacher A
Student mobile	7–20 characters: digits, spaces, + - ().	No	+91 98200 11111
City	Up to 120 characters.	No	Hyderabad
Parent's name	Used only if the parent has no account yet.	No	Ravi Rao
Parent's email	Invites the parent, or links them if they already have a Parent account.	No	parent@example.com
Subjects, Career interests, Preferred countries, Preferred courses	Comma-separated lists (up to 20 items).	No	Maths, Physics
Interested in studying abroad	Not recorded, Yes, No.	No	Yes

Expected Result

The student appears in the roster with a new Student ID, in the current academic year. A new parent receives an invitation email from you via EduSphere.

Validation Messages

Message	When
Your browser asks you to fill in the field	Full name is empty.
Roll number {n} is already used in this grade and section for this academic year	Another student already has that roll number in the same grade and section.
Parent's email '{email}' belongs to an existing account that is not a Parent	The email belongs to a teacher, coordinator or other non-parent account.
Grade level must be an integer between 1 and 12	Grade level outside 1–12. <i>(From code.)</i>
Student mobile must be 7–20 characters of digits, spaces, +, -, (or) with at least 7 digits	Invalid mobile. <i>(From code.)</i>

Common Errors

Problem: “Something went wrong.” **Cause:** On the documentation server this appeared when the full name was extremely long (170 characters). Full names are limited to 160 characters but the form does not warn you.

Resolution: Shorten the name and try again.

Problem: The teacher you want is not in **Assigned Teacher**. **Cause:** They have not accepted their invitation yet, or their account is deactivated. **Resolution:** Check [Your team](#).

Tips

- Adding many students? Use [bulk upload](#).
- If the same new parent email is used for two children, one invitation links them to both once accepted.
- Edit details later with **Edit** on the roster.

Related Features

- [View the roster](#)
- [Edit a student](#)
- [Link a parent to a student](#)
- [Upload the roster in bulk](#)

Edit a student

Doc ID: DOC-SCH-STU-003 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator

Purpose

Correct a student's details, change their class placement or assign a different class teacher.

Who Can Use This Feature

School Coordinator.

Prerequisites

The student is on your roster.

How to Access

Sidebar > **Students** > **Edit** on the student's row.

Steps

Step 1 — Open the edit form

Click **Edit** on the row. A form titled **Edit {name} ({Student ID})** opens with the current details. It has the same fields as [Add one student](#).

Edit Docs Student Ananya (E3D5C409)

Identity

885A85CB	Rohan Gupta	Grade 8	-	-	-	Edit	Link parent	Profile & timeline

Student updated. docs.parent2@example.test already has a pending invite from another child -- they'll be linked to both once they accept.

Add one student

Identity

Full name

Date of birth

Gender

Class placement

Grade/Class

Grade level (1-12, optional)

Student updated

Fields

See [Add one student](#). In the edit form, **Assigned Teacher** also lists deactivated teachers, marked “(inactive)”, so an existing assignment is not lost.

Expected Result

The roster shows the new details.

Validation Messages

The same as [Add one student](#).

Common Errors

Problem: After saving, the message adds “{email} already has a pending invite from another child – they’ll be linked to both once they accept.” **Cause:** The parent email on this student matches an invitation that is still waiting. **Resolution:** Nothing to do; the parent is linked to every child with that email once they accept.

Tips

- Profile details can only be changed here, not on the student’s profile page.
- Changing the roll number, grade or section is checked again for duplicate roll numbers.

Related Features

- [View the roster](#)
- [Add one student](#)

Link a parent to a student

Doc ID: DOC-SCH-STU-004 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator

Purpose

Connect a parent who already has an EduSphere Parent account to one of your students, so they can follow that child's progress.

Who Can Use This Feature

School Coordinator.

Prerequisites

The parent has accepted an invitation and has a Parent account. (For a parent without an account, enter their email on the student instead — see [Add one student.](#))

How to Access

Sidebar > **Students** > **Link parent** on the student's row.

Steps

Step 1 — Enter the parent's email

Click **Link parent**. In **Link a parent to {name}**, type the **Parent's email**.

- [Invite a Principal, Teacher or Parent](#)

Upload the roster in bulk (CSV)

Doc ID: DOC-SCH-STU-005 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator

Purpose

Add many students at once from a spreadsheet saved as CSV — for example your whole roster at the start of a year.

Who Can Use This Feature

School Coordinator.

Prerequisites

- A spreadsheet program that can save as CSV (UTF-8).
- Teachers you want to assign have accepted their invitations.

How to Access

Dashboard > **Go to bulk upload**, or the bulk upload link on the **Students** page (opens `/school/coordinator/students/bulk-upload`; it is not in the sidebar).

Steps

Step 1 — Download the template

Under **1. Download the template**, click **Download template (.csv)**. Open **Column reference** to see the format of each column.

EduSphere Portal

Fatima School Coordinator

1. Download the template

Fill it in offline, then upload it below. Only the full name is required; a parent email invites that parent (or links them, if they already have an account).

[Download template \(.csv\)](#)

▼ Column reference

COLUMN	REQUIRED	FORMAT	EXAMPLE
full_name	Yes	Text	Jane Doe
date_of_birth	No	YYYY-MM-DD	2015-04-12
grade_or_class	No	Text label, up to 60 characters	Grade 5-A
assigned_teacher_email	No	Email of an existing Teacher at your school	teacher@school.edu
parent_name	No	Text (used only when inviting a new parent)	Jane's Parent
parent_email	No	Email; links or invites the parent	parent@example.com
grade_level	No	Whole number 1-12	5
section	No	Up to 20 characters	A
roll_number	No	Up to 20 characters; unique within grade + section + year	12
gender	No	female, male, other or prefer_not_to_say	female
student_mobile	No	7-20 digits, spaces, + - ()	+91 98765 43210

Template and column reference

Step 2 — Fill in the file

Keep the header row exactly as it is. Add one row per student.

- **Delete the example row (“Jane Doe”)** that comes in the template — otherwise it is imported as a real student.
- In list columns (subjects, career_interests, preferred_countries, preferred_courses), separate values with a semicolon ; (the on-screen form uses commas).

Step 3 — Upload

Under **2. Upload your filled-in roster**, choose the file in **Filled-in roster file** and click **Upload roster**.

Step 4 — Read the result

Upload result says how many rows were accepted and lists every row as **Added** or **Rejected** with the reason. Rows that succeeded are kept even though others failed.

Upload result

11 of 17 rows accepted, 6 rejected. Rows that succeeded are kept even though others failed.

ROW	RESULT	DETAIL
1	Added	-
2	Added	-
3	Added	-
4	Added	-
5	Added	-
6	Added	-
7	Added	-
8	Added	-
9	Added	-
10	Added	-
11	Added	-
12	Rejected	Date of birth '14/07/2011' is not a valid date (expected YYYY-MM-DD)
13	Rejected	Assigned teacher 'nobody@example.test' is not an existing Teacher at your own school
14	Rejected	Parent's email 'school.teacher@edusphere.local' belongs to an existing account that is not a Parent
15	Rejected	Grade level '13' must be an integer between 1 and 12
16	Rejected	Roll number 11 is already used in this grade and section for this academic year
17	Rejected	Full name is required

Upload result

Fields

Column	Required	Format	Example
full_name	Yes	Text	Jane Doe
date_of_birth	No	YYYY-MM-DD	2015-04-12
grade_or_class	No	Text label, up to 60 characters	Grade 5-A
assigned_teacher_email	No	Email of an existing Teacher at your school	teacher@school.edu
parent_name	No	Text (used only when inviting a new parent)	Jane's Parent
parent_email	No	Email; links or invites the parent	parent@example.com
grade_level	No	Whole number 1–12	5

Column	Required	Format	Example
section	No	Up to 20 characters	A
roll_number	No	Up to 20 characters; unique within grade + section + year	12
gender	No	female, male, other or prefer_not_to_say	female
student_mobile	No	7–20 digits, spaces, + - ()	+91 98765 43210
city, subjects, career_interests, global_education_interest (yes/no), preferred_countries, preferred_courses	No	see Column reference	—

Expected Result

Each **Added** row is a new student. A new parent email sends one invitation; an existing Parent account is linked straight away.

Validation Messages

Each message rejects only that row. **Row numbers count data rows: row 1 is the first student after the header.**

Message	Meaning
Full name is required	The name cell is empty.
Date of birth '{value}' is not a valid date (expected YYYY-MM-DD)	Wrong date format (for example 14/07/2011).
Assigned teacher '{email}' is not an existing Teacher at your own school	Unknown or not-yet-accepted teacher.
Parent's email '{email}' belongs to an existing account that is not a Parent	The email belongs to a non-parent account.
Grade level '{value}' must be an integer between 1 and 12	Grade level outside 1–12.
Roll number {n} is already used in this grade and section for this academic year	Duplicate roll number.

Common Errors

Problem: Clicking **Upload roster** does nothing except a browser prompt. **Cause:** No file was chosen.

Resolution: Choose the CSV file first.

Problem: Every row is rejected with “Full name is required”. **Cause:** The header row was changed (for example “Full Name” instead of `full_name`). **Resolution:** Start again from a freshly downloaded template.

Problem: A student called “Jane Doe” appeared. **Cause:** The template’s example row was not deleted.

Resolution: Ask EduSphere to remove the student (students cannot be deleted from the roster).

Tips

- Fix rejected rows and upload a file that contains only those rows.
- Photos cannot be uploaded in the CSV; add them on each student's page.

Student profile and journey timeline

Doc ID: DOC-SCH-STU-006 · Verified on 2026-10-06 against main @ ce1f07c2 · Roles: School Coordinator, Principal, Teacher

Purpose

See one student’s details and everything that has happened in their EduSphere journey — activities, career guidance, assessments, results and more — in date order.

Who Can Use This Feature

School Coordinator, **Principal**, and **Teacher** (only for students assigned to them).

What each role sees

Section	School Coordinator	Principal	Teacher
Details card (photo, grade, date of birth, contact, interests)	✓ (can change photo)	✓	✓
Request a transfer	✓	—	—
Grade history	✓	—	—
Journey timeline	✓	✓	✓
Digital Portfolio	✓ (can edit)	✓ (read only)	✓
Progress report (PDF)	✓	✓	—
Progress scorecard	✓	✓	—
Funding support	✓	✓	—

A **Transfer history** card also appears for a Coordinator once the student has moved schools (*from code*).

Prerequisites

The student is at your school (Teachers: assigned to you).

How to Access

- **School Coordinator:** Sidebar > **Students** > **Profile & timeline**.
- **Principal:** Dashboard > **Timeline** on the student’s row.
- **Teacher:** Dashboard > **View** on the student’s row.

Steps

Step 1 — Read the details

The top card shows the student's name, Student ID, photo (or initials) and recorded details; "Not recorded" means nothing has been entered. Buttons: **Open 360° view** and a back button.

Common Errors

Problem: Several reports all have the same file name. **Cause:** Every report is called `progress-report.pdf`. **Resolution:** Rename each file after downloading (for example add the student's name).

Tips

- PDFs are not screen-reader friendly. The same information is in the student's **360° view**.
- Each download is recorded in EduSphere's audit log *(from code)*.

Promote or hold back students for the new academic year

Doc ID: DOC-SCH-STU-009 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator

Purpose

At the start of a new academic year, move students up one grade (**Promote**) or keep them in the same grade (**Hold back**). Both record the student in the new year.

Who Can Use This Feature

School Coordinator.

Prerequisites

- **EduSphere has opened the new academic year.** There is no screen for this at the school; EduSphere's Overseas Admin sets it up. Until then every student shows "Already in {current year}".
- Students have a **Grade level (1–12)** set on the roster.

How to Access

Sidebar > **Promotion.**

Steps

Step 1 — Check the year

The page says "Move students into {year}, the active academic year." If every row says "Already in {year}", the new year has not been opened yet.

Promote students

Move students into **2026-27**, the active academic year. **Promote** advances the grade by one; **Hold back** keeps the grade and records the new year.

Grade level

All grades

Select all shown

Showing 17 of 17 students

STUDENT	ACTION	NEW LABEL (OPTIONAL)	STATUS
☐ Aarav Mehta C143A208 · Grade 5 (level 5)	Already in 2026-27		
☐ Docs Student Ananya E3D5C409 · Grade 9 (level 9)	Already in 2026-27		
☐ Docs Student Arjun 06333666 · Grade 8 (level 8)	Already in 2026-27		
☐ Docs Student Dev B7932063 · Grade 11 (level 11)	Already in 2026-27		
☐ Docs Student Existing Parent 6D947D6D · Grade 8 (level 8)	Already in 2026-27		

0 selected

Review changes (0)

Before the new year is opened

Step 2 — Choose students and actions

Filter by **Grade level** if you want, then tick students (or **Select all shown**). For each, choose **Action: Promote** or **Hold back**. For Promote you can type a **New label (optional)**; leave it empty to update the label automatically (for example “Grade 8” becomes “Grade 9”). Hints warn about students who cannot be promoted.

Profile

Student profile created

Added to Grade 8

Grade history

105 / 313

Fields

Field	Description	Required	Example
Grade level (filter)	All grades, one grade, or "Grade level not set".	No	Grade 8
Select all shown / row checkbox	Which students to change.	At least one	✓
Action	Promote (grade + 1) or Hold back (same grade, new year).	Yes	Promote
New label (optional)	The new class label for promoted students, up to 60 characters. It is saved exactly as typed, so include the new grade. Left empty, EduSphere updates the grade number in the current label.	No	Grade 9-B

Expected Result

Selected students are in the new academic year, with their grade advanced (Promote) or kept (Hold back).

Validation Messages

Reasons shown for students that were **not changed**:

Message	Meaning
Grade 12 is the highest grade; graduation is not supported yet.	A Grade 12 student was set to Promote; choose Hold back.
Grade level is not set. Set it on the roster before promoting.	The student has no grade level.
This student's grade label can't be advanced automatically. Type the new grade in "New label", then try again.	The label does not contain the grade number (for example "Class X" with level 9).
Already in the active academic year.	The student was already moved. <i>(From code.)</i>

Common Errors

Problem: Every student shows "Already in {year}" and nothing can be selected. **Cause:** The new academic year has not been opened. **Resolution:** Ask EduSphere's Overseas Admin to open the new academic year.

Problem: "No active academic year. Ask an Overseas Admin to activate one." *(From code.)* **Cause:** There is no active year at all. **Resolution:** Contact EduSphere.

Tips

- **Both Promote and Hold back clear the student's roll number** (Grade history keeps the previous section and roll number). Set new roll numbers on the roster afterwards.
- At most 500 students can be changed at once.
- Students who were not changed stay selected; fix the cause and run the review again.

Email already exists

Common Errors

Problem: The message ends with “(email sending isn’t configured yet – share the link manually)” or “(the email could not be sent – share the link manually)”. *(From code.)* **Cause:** The invitation was created but the email could not be sent. The page does not show the link. **Resolution:** Contact your Overseas Admin.

Problem: “Email already exists”. **Cause:** The person already has an EduSphere login. **Resolution:** For a Parent who already has an account, link them to the student instead (“Link parent” on the **Students** page; see [Link a parent to a student](#)).

Tips

- Pending invitations cannot be re-sent or cancelled from this page. Ask the person to check spam first.
- An invited **Parent** appears in **Your team** only after being linked to one of your students *(from code)*.
- You can also invite a parent by entering their email on a student’s record (see [Edit a student](#)).

Invite a team member

Role

Select role

Teacher deactivated

Step 2 — Reactivate (when needed)

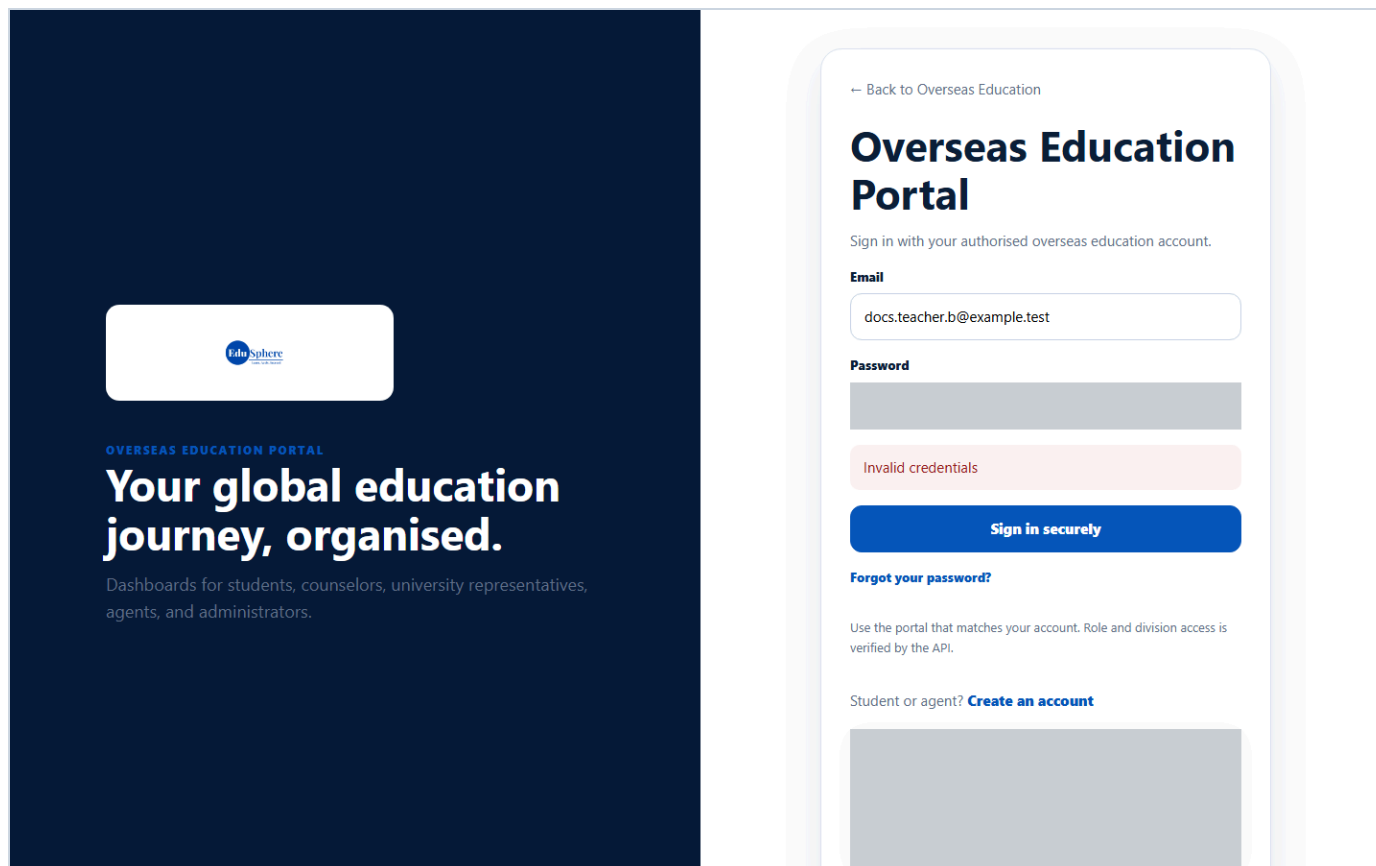

Click **Reactivate** on the same row. The message “{name} reactivated.” appears *(from code)*.

Fields

None.

Expected Result

A deactivated person cannot sign in — they see “Invalid credentials” — and receives no new notifications.

Deactivated user at sign-in

Validation Messages

Message	When
{name} deactivated. / {name} reactivated.	The change was saved.
Can only activate/deactivate Principal, Teacher, or Parent accounts	Not possible from the screen (Coordinator rows have no button). <i>(From code.)</i>

Common Errors

Problem: You deactivated the wrong person. **Cause:** There is no confirmation step. **Resolution:** Click **Reactivate** on the row straight away.

Tips

- A deactivated Teacher keeps their student assignments but can no longer be picked when you assign teachers *(from code)*.
- A **Parent** has one account for all schools. Deactivating a parent here blocks them at every school where they have a child *(from code)*.

Request a transfer out to another school

Doc ID: DOC-SCH-XFER-001 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator

Purpose

Ask EduSphere to move one of your students to another partner school, for example when the family moves.

Who Can Use This Feature

School Coordinator of the school the student is leaving.

Prerequisites

- The student is on your roster and has no other pending transfer request.
- The destination is an EduSphere partner school.

How to Access

Sidebar > **Students** > **Profile & timeline** > **Request a transfer** (a collapsed section below the details card).

Steps

Step 1 — Open the request form

Click **Request a transfer**. Choose the **Destination school** and, if you want, type a **Reason (optional)**.

Transfer requested

Step 3 — Wait for the decision

EduSphere's Overseas Admin approves or rejects the request. You get a notification either way (see [Track and cancel transfer requests](#)).

Fields

Field	Description	Required	Example
Destination school	Any other partner school.	Yes	Docs Platinum Two
Reason (optional)	Up to 500 characters; visible to the admin.	No	Family is moving to Mumbai.

Expected Result

- **While pending:** nothing changes for the student.
- **If approved:** the student moves to the new school, and their teacher assignment, section and roll number are cleared. Parents keep access to their child.

Validation Messages

Message	When
Choose a school.	No destination chosen. <i>(From code.)</i>
A transfer request is already pending for this student	A request already exists. <i>(From code.)</i>

Message	When
Too many transfer requests; try again in N seconds	More than 30 requests in an hour. <i>(From code.)</i>

Common Errors

Problem: The **Request a transfer** form is not shown; instead it says “Transfer to {school} requested {date}. Waiting for admin review.” *(From code.)* **Cause:** A request is already pending. **Resolution:** Wait for the decision, or cancel it on the **Transfers** page.

Tips

- Results that were not yet published are withdrawn when the transfer is approved *(from code; shown to the admin before approving)*.
- If the student’s parent has a pending invitation, ask them to accept it before the transfer is approved; approval clears the invitation.

Related Features

- [Request a student from another school](#)
- [Track and cancel transfer requests](#)
- Admin manual: Review school transfer requests *(see the Administrator Manual)*

Request a student from another school

Doc ID: DOC-SCH-XFER-002 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator

Purpose

Ask EduSphere to move a student who is joining your school from another partner school, using their **Student ID**.

Who Can Use This Feature

School Coordinator of the school the student is joining.

Prerequisites

You know the student's 8-character **Student ID** (ask the family or the previous school).

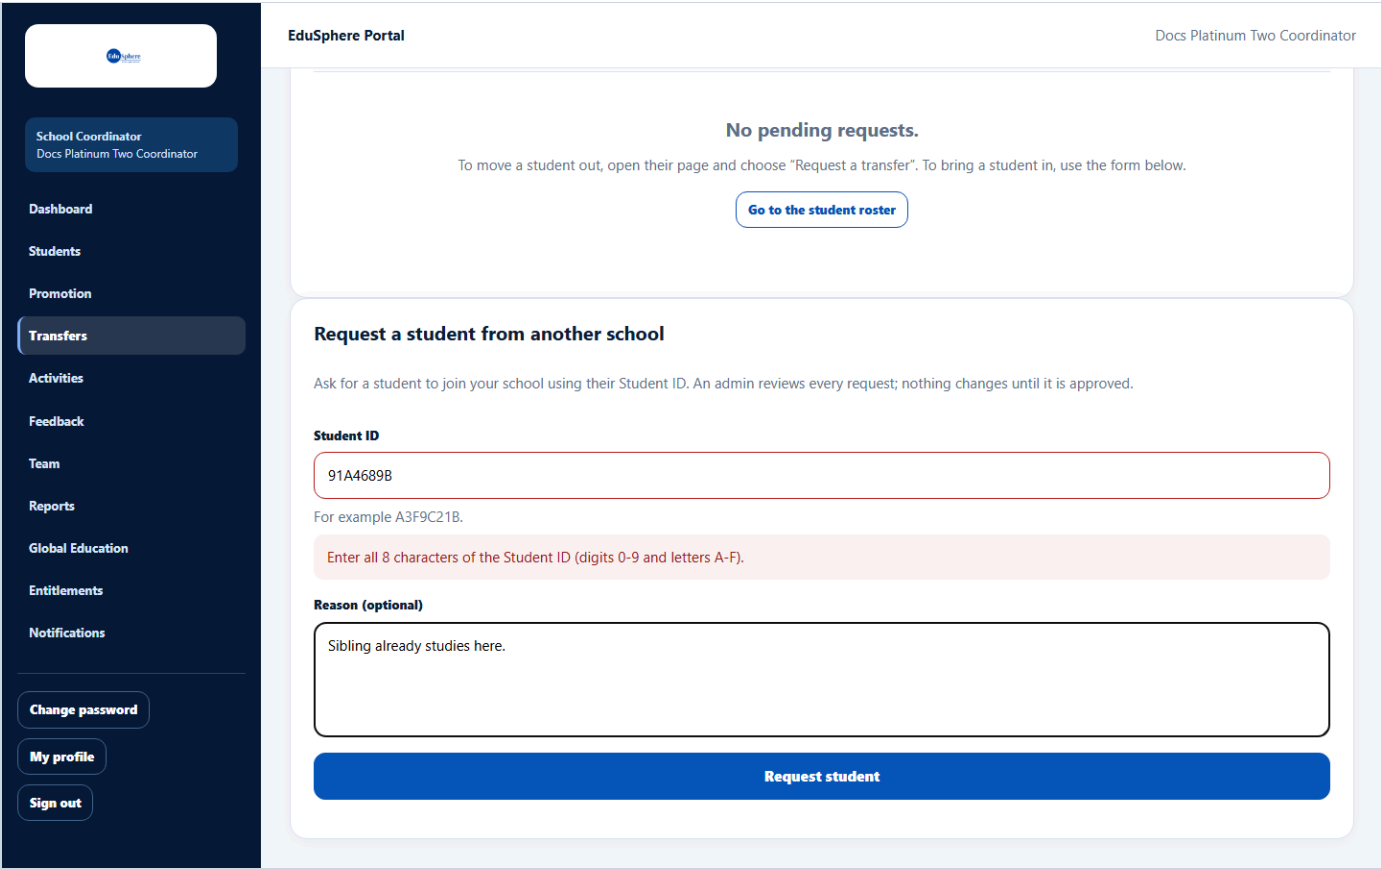

How to Access

Sidebar > **Transfers** > **Request a student from another school** (below the requests list).

Steps

Step 1 — Enter the Student ID

Type the **Student ID** (8 characters, digits 0–9 and letters A–F) and, if you want, a **Reason (optional)**.

Request a student

Step 2 — Send the request

Click **Request student**. The page always answers: "If that Student ID belongs to a student at another school, your request has been sent to an admin for review."

Docs Platinum Two Coordinator

No pending requests.

To move a student out, open their page and choose "Request a transfer". To bring a student in, use the form below.

Go to the student roster

Request a student from another school

Ask for a student to join your school using their Student ID. An admin reviews every request; nothing changes until it is approved.

Student ID

For example A3F9C21B.

Reason (optional)

Request student

If that Student ID belongs to a student at another school, your request has been sent to an admin for review.

Request sent

Step 3 — Follow it in the list

The request appears in **Transfer requests** as "Student ID {code}" with "Student details are shown once approved."

Fields

Field	Description	Required	Example
Student ID	The student’s 8-character code.	Yes	91A4689B
Reason (optional)	Up to 500 characters.	No	Sibling already studies here.

Expected Result

If the Student ID is valid, the admin sees the request with the student’s name and both schools.

Validation Messages

Message	When
Enter all 8 characters of the Student ID (digits 0-9 and letters A-F).	The code is incomplete or has other characters. <i>(From code; on the documentation server the browser stopped the short code first.)</i>
Too many open transfer requests; wait for a decision or cancel one	Your school has 50 open requests. <i>(From code.)</i>

Common Errors

Problem: The request never appears for the admin. **Cause:** The answer is the same whether or not the Student ID exists (to protect students' privacy), so a mistyped ID fails silently. A student already at your school is also ignored. **Resolution:** Check the Student ID with the family and request again.

Tips

- You see the student's name only after the transfer is approved.

Related Features

- [Request a transfer out](#)
- [Track and cancel transfer requests](#)

Track and cancel transfer requests

Schedule an activity

Doc ID: DOC-SCH-ACT-001 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator

Purpose

Put a school event on the calendar — for example an EduSphere career seminar or a parent orientation — so parents are told about it and you can record attendance and feedback afterwards.

Who Can Use This Feature

School Coordinator.

Prerequisites

Your school has an active partnership tier. EduSphere activity types (career seminar, career awareness session, parent orientation, monthly campus visit) must be included in your tier (see [Partnership tiers explained](#)).

How to Access

Sidebar > **Activities** > **Schedule an activity** (below the activities list).

Steps

Step 1 — Fill in the activity

Type the **Title**, choose the **Date & time** and, for an EduSphere activity, an **Entitlement category (optional)**.

Docs expired activity

Date & time

11-10-2026 11:00

Entitlement category (optional)

Career seminar

Schedule activity

This school's partnership expired on 04 Oct 2026.

Partnership expired

Common Errors

Problem: One of the partnership messages above. **Cause:** Your school's tier does not allow this activity.

Resolution: Choose another category, or ask your Overseas Admin about the partnership.

Tips

- Activities cannot be edited, cancelled or deleted after scheduling. Check the date before you click.
- Past dates are accepted, so you can record an activity after it happened.
- The activity type is not shown in the list; use clear titles.
- The notification parents receive shows the time **in UTC, not IST** (for example a 10:00 IST session is shown as 04:30). Mention the time in IST in the title or tell parents separately.

Mark attendance for an activity

Doc ID: DOC-SCH-ACT-002 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator

Purpose

Record which students attended an activity. Attendance appears on each student's timeline and in your reports.

Who Can Use This Feature

School Coordinator.

Prerequisites

The activity is in the **Activities** list.

How to Access

Sidebar > **Activities** > **Mark attendance** on the activity's row.

Steps

Step 1 — Open the attendance card

Click **Mark attendance**. The **Mark attendance** card lists every student at your school, **all ticked**.

Step 2 — Untick absent students

Untick each student who did not attend.

Mark attendance

- ☒ Aarav Mehta
- ☐ Docs Student Ananya
- ☒ Docs Student Arjun
- ☐ Docs Student Dev
- ☒ Docs Student Existing Parent
- ☒ Docs Student Kabir R
- ☒ Docs Student Label Mismatch
- ☒ Docs Student Meera
- ☒ Docs Student Nisha
- ☒ Docs Student No Level
- ☒ Docs Student Omar
- ☒ Docs Student Riya
- ☒ Docs Student Sara
- ☒ Docs Student Vihaan

Title

Date & time

dd-mm-yyyy --:--

Entitlement category (optional)

None

Schedule activity

Attendance recorded for 18 student(s).

Attendance recorded

Fields

Field	Description	Required	Example
One checkbox per student	Ticked = present.	—	✓ Aarav Mehta

Expected Result

Present students get an “Attended {activity}” entry on their journey timeline, and the feedback list shows “{x} of {y} present” for the activity.

Validation Messages

Message	When
Attendance recorded for {n} student(s).	Saved.
This school’s partnership expired on {date}.	The tier has expired. <i>(From code.)</i>

Common Errors

Problem: Students you unticked earlier are ticked again when you reopen the card. **Cause:** The card always starts with everyone ticked; it does not show what you saved before. **Resolution:** Untick the absent students again every time, then save. Saving replaces the earlier record.

Tips

- Take attendance once, at the end of the activity, to avoid overwriting it.
- Daily class attendance is separate and is taken by teachers (see [Take daily class attendance](#)).

Related Features

- [Give feedback on a completed activity](#).

Give feedback on a completed EduSphere activity

Doc ID: DOC-SCH-ACT-003 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator

Purpose

Rate each EduSphere activity once it has taken place, so EduSphere can improve the next session.

Who Can Use This Feature

School Coordinator. The Principal and EduSphere's Overseas Admin can read the feedback.

Prerequisites

The activity has an **Entitlement category** (career seminar, career awareness session, parent orientation or campus visit) and its date has passed. Activities without a category never ask for feedback.

How to Access

Sidebar > **Feedback**, or **Give feedback** on the activity's row in **Activities**.

Steps

Step 1 — Find the activity

On **Activity feedback**, set **Show** to **Awaiting feedback**. Each row shows the type, date (IST) and attendance, and a **Give feedback** button.

Show

None of your current students were enrolled at your school on 05 Oct 2026.

Before the students joined

Common Errors

Problem: “No students assigned to you yet.” (*From code.*) **Cause:** The Coordinator has not assigned students to you. **Resolution:** Ask your School Coordinator.

Problem: “This school’s partnership expired on {date}.” (*From code.*) **Cause:** The school’s partnership needs renewing. **Resolution:** Tell your School Coordinator.

Tips

- The list is sorted by grade, then name.
- Parents are not notified of daily attendance; they see the totals on their child’s page (the **Attendance** tile was seen on the parent pages in S10; the absence of a notification is from code).

Related Features

Portfolio progress

Doc ID: DOC-SCH-ACAD-001 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: Academic Team

Purpose

See, for every student in the schools assigned to you, how many results have been entered and their average score.

Who Can Use This Feature

Academic Team.

Prerequisites

EduSphere has assigned at least one school to you (your **school portfolio**).

How to Access

Sidebar > **Dashboard** > **Portfolio progress** (the first card).

Steps

Step 1 — Open your dashboard

After signing in you land on the Academic Team dashboard. It contains, from top to bottom: **Portfolio progress**, **Results** with **Upload a result**, **Bulk entry — results (CSV)**, **Test preparation**, **Foreign language classes**, two more bulk-entry panels and **Students**.

Rohan Gupta	Sunrise Public School	1	79%

Portfolio progress

Fields

Column	Description
Student, School	The student and their school.
Results	How many results exist for the student (draft, verified and published).
Avg %	The average of those results, or "No results yet".

Expected Result

You can see which students still need results.

Validation Messages

None.

Common Errors

Problem: “No students in your portfolio yet. Contact your Overseas Admin.” (*From code.*) **Cause:** No school has been assigned to you. **Resolution:** Ask your Overseas Admin to assign your schools.

Tips

- The average includes results that are not published yet, so it can differ from what schools and parents see.
- The table has no search or sorting; students are listed by name.

Related Features

- [Upload a result as Draft](#)

Upload a result as Draft

Doc ID: DOC-SCH-ACAD-002 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: Academic Team

Purpose

Enter one exam result for a student. New results start as **Draft**; a different Academic Team member must verify and publish them before the school and parents can see them.

Who Can Use This Feature

Academic Team.

Prerequisites

The student is at a school in your school portfolio.

How to Access

Sidebar > **Dashboard** > **Upload a result** (below the Results table).

Steps

Step 1 — Choose the student

In **Student**, type part of the name and pick the student from the list.

Step 2 — Fill in the result

Fill in **Academic year**, **Term**, **Subject**, **Maximum marks** and **Marks obtained**. **Grade** and **Teacher remarks** are optional.

Upload a result

Student

Docs Student Arjun — Sunrise Public School

Academic year

Test preparation

STUDENT	TEST	TARGET	ACTUAL	STATUS	ACTIONS
Robert Curtes	SAT	1450		In progress	Revised score

Saved as Draft

Fields

Field	Description	Required	Example
Student	Search and pick from your portfolio students.	Yes	Docs Student Arjun
Academic year	Up to 20 characters.	Yes	2026-27
Term	Up to 40 characters.	Yes	Term 1
Subject	Up to 80 characters.	Yes	Mathematics
Maximum marks	Number.	Yes	100
Marks obtained	Number.	Yes	92
Grade	Up to 10 characters.	No	A1
Teacher remarks	Up to 2000 characters; shown to the school once published.	No	Excellent problem solving.

Expected Result

A Draft result, visible only to the Academic Team.

Validation Messages

Message	When
Your browser asks you to choose a student / fill in the field	A required field is empty.

Message	When
Something went wrong.	The subject (or another text) is longer than allowed — for example a 90-character subject.

Common Errors

Problem: The marks are higher than the maximum, and the result was saved anyway (for example “75/50 (150%)”). **Cause:** The single-result form does not check marks against the maximum. **Resolution: Check the numbers before saving.** A Draft cannot be edited from the screen; ask EduSphere to correct it, or have the verifier not verify it.

Tips

- Use the same **Academic year** and **Term** wording as your colleagues (for example “2026-27” and “Term 1”), so reports group results correctly.
- For many results, use [bulk entry](#) — it checks marks and duplicates.

Related Features

- [Verify and publish results](#)
- [Bulk entry: results](#)

Verify and publish results

Doc ID: DOC-SCH-ACAD-003 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: Academic Team

Purpose

Check a colleague's Draft result (**Verify**) and release it to the school and parents (**Publish**). Two people are always involved: you cannot verify or publish a result you uploaded yourself.

Who Can Use This Feature

Academic Team members other than the one who uploaded the result.

Prerequisites

A Draft (to verify) or Verified (to publish) result uploaded by someone else.

How to Access

Sidebar > **Dashboard** > **Results**.

Steps

Step 1 — Find the result

Results lists results newest first with Student, Subject (year, term and remarks), Marks and Status (`draft` , `verified` , `published`). On your own uploads the Actions column says "Ask another Academic Team member to verify" (or "...to publish").

Results

STUDENT	SUBJECT	MARKS	STATUS	ACTIONS
Docs Student Dev	History (2026-27, Term 1)	75/50 (150%)	draft	Ask another Academic Team member to verify
Docs Student Arjun	English (2026-27, Term 1)	74/100 (74%)	draft	Ask another Academic Team member to verify
Docs Student Meera	Science (2026-27, Term 1) Needs support with lab work.	32/100 (32%)	draft	Ask another Academic Team member to verify
Docs Student Arjun	Mathematics (2026-27, Term 1) Excellent problem solving.	92/100 (92%)	draft	Ask another Academic Team member to verify
Aarav Mehta	Science (2026, Term 1)	91/100 (91%)	draft	Ask another Academic Team member to verify
Isha Mehta	English (2026, Term 1)	76/100 (76%)	verified	Ask another Academic Team member to publish
Rohan Gupta	Mathematics (2026, Term 1)	79/100 (79%)	published	-
Aarav Mehta	Mathematics (2026, Term 1)	88/100 (88%)	published	-

Uploader’s view

On a colleague’s uploads you see **Verify** (for drafts) or **Publish** (for verified results).

Results

STUDENT	SUBJECT	MARKS	STATUS	ACTIONS
Docs Student Dev	History (2026-27, Term 1)	75/50 (150%)	draft	Verify
Docs Student Arjun	English (2026-27, Term 1)	74/100 (74%)	draft	Verify
Docs Student Meera	Science (2026-27, Term 1) Needs support with lab work.	32/100 (32%)	draft	Verify
Docs Student Arjun	Mathematics (2026-27, Term 1) Excellent problem solving.	92/100 (92%)	draft	Verify
Aarav Mehta	Science (2026, Term 1)	91/100 (91%)	draft	Verify
Isha Mehta	English (2026, Term 1)	76/100 (76%)	verified	Publish
Rohan Gupta	Mathematics (2026, Term 1)	79/100 (79%)	published	-
Aarav Mehta	Mathematics (2026, Term 1)	88/100 (88%)	published	-

Verify and Publish buttons

Step 2 — Verify

Click **Verify**. The message “Result verified.” appears and the status becomes `verified`.

Rohan Gupta	Mathematics (2026, Term 1)	79/100 (79%)	published	-
Aarav Mehta	Mathematics (2026, Term 1)	88/100 (88%)	published	-

Results after publishing

Fields

None.

Expected Result

- Published results appear on the student's page, timeline ("Academic result published") and Digital Portfolio, and in school reports.
- The student's parents are notified: "{Term} {Subject} result published for {name}" (*from code; the documentation parent did not receive one, so it was not seen*).

Validation Messages

Message	When
A different Academic Team member must perform this step – you cannot verify or publish your own upload	Not reachable from the screen (your own rows have no buttons). (<i>From code.</i>)

Common Errors

Problem: No **Verify** or **Publish** button. **Cause:** You uploaded the result yourself, or it is already published.

Resolution: Ask another Academic Team member.

Tips

- Check the marks before verifying: the single-result form accepts marks above the maximum.
- A member who verified a result may also publish it; only the uploader is excluded.
- Draft and verified results are not visible to the school or parents.

Related Features

- [Upload a result as Draft](#)

Bulk entry: results (CSV)

Doc ID: DOC-SCH-ACAD-004 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: Academic Team

Purpose

Enter many results at once from a spreadsheet. Each row becomes a Draft result.

Who Can Use This Feature

Academic Team.

Prerequisites

At least one school in your school portfolio.

How to Access

Sidebar > **Dashboard** > **Bulk entry — results (CSV)** (click to open).

Steps

Step 1 — Download the pre-filled template

Open **Bulk entry — results (CSV)** and click **Download the pre-filled template (.csv)**. It has one row per student in your portfolio, with **student_code**, **student_name** and **school_name** already filled in. **Column reference** explains each column.

2. Upload the filled-in file

Filled-in results file

Choose File

No file chosen

CSV, up to 1 MB and 500 filled-in rows.

Upload results

Upload result

1 of 3 rows added, 2 rejected. Rows that succeeded are kept.

ROW	STUDENT ID	RESULT	DETAIL
2	B7932063	Added	-
3	1EEC6F61	Rejected	marks_obtained must not exceed max_marks
4	06333666	Rejected	this student already has a result for the same academic_year, term and subject

Test preparation

STUDENT	TEST	TARGET	ACTUAL	STATUS	ACTIONS
---------	------	--------	--------	--------	---------

Upload result

Fields

Column	Required	Format
student_code	Yes (pre-filled)	8-character Student ID
student_name, school_name	—	For reference only
academic_year, term, subject	Yes	Text (up to 20 / 40 / 80 characters)
max_marks	Yes	Above 0, up to 9999.99
marks_obtained	Yes	0 up to max_marks
grade	No	Up to 10 characters
teacher_remarks	No	Up to 2000 characters

Limits: 1 MB and 500 filled-in rows per file.

Expected Result

Each added row is a Draft result, ready for a colleague to verify.

Validation Messages

Row numbers count the header as row 1, so the first student is **row 2**.

Message	Meaning
marks_obtained must not exceed max_marks	Marks above the maximum.
this student already has a result for the same academic_year, term and subject	Duplicate result.
Choose a filled-in CSV file first.	No file chosen. <i>(From code.)</i>
The file has more than 500 filled-in rows / The file is larger than 1 MB	File too big. <i>(From code.)</i>

Common Errors

Problem: “The connection dropped. Upload again — the same file won’t be added twice.” *(From code.)* **Cause:** Network problem. **Resolution:** Upload the same file again.

Tips

- Bulk entry checks marks and duplicates, unlike the single-result form.
- The same steps work for test preparation, language classes and assessments (see [Bulk entry: test preparation and language classes](#)).

Digital Portfolio overview

Doc ID: DOC-SCH-PORT-001 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: all school roles (read); School Coordinator, assigned Teacher, Academic Team (edit)

Purpose

The Digital Portfolio collects a student’s achievements — results, assessments, certifications, internships, projects, awards and a personal statement — in one place, and shows how complete it is.

Who Can Use This Feature

Role	Can see	Can edit
School Coordinator	✓	✓
Teacher (students assigned to them)	✓	✓
Academic Team	✓	✓
Principal, Parent, Career Counselor, Psychometric Team	✓	—

Prerequisites

Adding entries needs a **Gold** or **Platinum** partnership; internships need **Platinum**.

How to Access

- **School Coordinator / Principal / Teacher:** the student’s profile page > **Digital Portfolio**.
- **Academic Team:** Dashboard > **Students** > the student’s name.
- **Parent:** the child’s page > **Digital Portfolio** (*verified in S10*).

Steps

Step 1 — Read the completion bar

The card shows “{N}% complete”. Completion counts: a complete profile (date of birth and grade), a published result, a psychometric assessment, a career record, a language, at least one entry in each of the ten sections, and a personal statement (*the weighting is from code*).

The screenshot displays the EduSphere Portal interface. On the left is a dark blue sidebar with a logo at the top and several navigation buttons: 'Academic Team' (with a sub-link 'Divya Academic Team'), 'Dashboard', 'Change password', 'My profile', and 'Sign out'. The main content area is white and features the user's name 'Aarav Mehta' in large bold text. Below the name are two buttons: 'Open 360° view' and 'Back to dashboard'. The 'Digital Portfolio' section is highlighted with a blue header and a progress bar indicating '25% complete'. It contains several sub-sections: 'Profile' (Profile complete), 'Academic achievements' (Mathematics — Term 1 (A)), 'Psychometric report' (Aptitude Test), 'Career guidance' (guidance_session), 'Languages' (No entries yet), and 'Awards'.

Digital Portfolio

Step 2 — Read the automatic sections

These fill themselves from other work and cannot be edited here: **Profile**, **Academic achievements** (published results), **Psychometric report**, **Career guidance** and **Languages**.

Step 3 — Read the entry sections

Awards, Certifications, Competitions, Extracurriculars, Internships, Leadership, Projects, Skills, Sports and Volunteering, followed by the **Personal statement**. Each shows “No entries yet.” until something is added.

The screenshot displays the 'EduSphere Portal' interface for a user named 'Divya Academic Team'. The left sidebar contains navigation links: 'Academic Team', 'Dashboard', 'Change password', 'My profile', and 'Sign out'. The main content area is titled 'EduSphere Portal' and shows a 'Portfolio with entries' section. This section is divided into five categories, each with a list of entries and an 'Add' button:

- Awards:** 'Science Olympiad Gold Medal' — National Science Foundation of India (20 Aug 2026). Ranked first in the state round. Buttons: 'Edit Science Olympiad Gold Medal', 'Delete Science Olympiad Gold Medal', 'Add award'.
- Certifications:** 'Data Entry Operator' — NSDC. Buttons: 'Skill India', 'Certified', 'Certificate no. SI-2026-0042117', 'Issued 15 Sept 2026'. Buttons: 'Edit Data Entry Operator', 'Delete Data Entry Operator', 'Add certification'.
- Competitions:** 'No entries yet.' Button: 'Add competition'.
- Extracurriculars:** 'No entries yet.' Button: 'Add extracurricular'.
- Internships:** 'Junior Data Analyst Intern' — Docs Analytics Pvt Ltd (01 May 2026 – 15 Jun 2026). Button: 'Completed'.

Portfolio with entries

Fields

See [Add, edit or delete portfolio entries](#).

Expected Result

You can see what the student has achieved and what is still missing.

Validation Messages

None.

Common Errors

Problem: "Portfolio is unavailable right now." (*From code.*) **Cause:** A temporary loading problem. **Resolution:** Reload the page.

Tips

- The **Career guidance** list shows the record type as a code, for example `guidance_session`.
- The same achievements appear in the student's **360° view** (Certificates, Activities and Overview tabs).

Related Features

- [Add, edit or delete portfolio entries](#)

Add, edit or delete portfolio entries

Doc ID: DOC-SCH-PORT-002 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator, Teacher (assigned students), Academic Team

Purpose

Record a student's achievements — awards, projects, competitions, sports, leadership, volunteering, extracurriculars, skills and certifications — in their Digital Portfolio.

Who Can Use This Feature

School Coordinator, Teacher (only students assigned to them) and **Academic Team** (students in their school portfolio).

Prerequisites

The student's school has a **Gold** or **Platinum** partnership (Digital portfolio creation).

How to Access

The student's page > **Digital Portfolio** > the section (for example **Awards**).

Steps

Step 1 — Add an entry

Click **Add {entry}** under the section (for example **Add award**). Fill in **Title** and, if you want, **Organization (optional)**, **Start date (optional)**, **End date (optional)** and **Description (optional)**.

Not included in the tier

Common Errors

Problem: The tier message above. **Cause:** The school's partnership does not include Digital portfolio creation.

Resolution: The School Coordinator can ask the Overseas Admin about the partnership.

Tips

- Only one entry form can be open at a time; save or cancel before starting another.
- Teachers can edit the portfolio only of students assigned to them (a Teacher adding a skill sees "Skill added.").

The screenshot displays the EduSphere Portal interface. On the left is a dark blue sidebar with the EduSphere logo at the top. Below the logo, it identifies the user as 'Teacher Docs Teacher A'. The sidebar contains a menu with 'Dashboard' and 'Attendance' as active links, and buttons for 'Change password', 'My profile', and 'Sign out'. The main content area is titled 'EduSphere Portal' and shows the user 'Docs Teacher A'. It features a timeline of recent activities: 'Attended Docs Parent Orientation' (04 OCT 2026, 10:00), 'Student profile created' (06 OCT 2026, 08:06, 'Added to Grade 8'), and 'Academic result published' (06 OCT 2026, 09:21, 'Term 1 Mathematics -- A1'). Below the timeline is a 'Digital Portfolio' section with a progress bar at 19% complete. It lists sections: 'Skill added.' (highlighted in green), 'Profile' (Profile complete), 'Academic achievements' (Mathematics — Term 1 (A1)), 'Psychometric report' (No entries yet.), and 'Career guidance'.

Record a Skill India certification

Doc ID: DOC-SCH-PORT-003 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator, Teacher (assigned students), Academic Team

Purpose

Record a government Skill India certification with its status, certificate number and issue date, so it shows as a Skill India badge in the portfolio and 360° view.

Who Can Use This Feature

School Coordinator, Teacher (assigned students), **Academic Team**.

Prerequisites

The student's school has a **Gold** or **Platinum** partnership.

How to Access

The student's page > **Digital Portfolio** > **Certifications** > **Add certification**.

Steps

Step 1 — Mark it as Skill India

Type the **Title** and tick **Skill India certification**. A **Skill India details** box appears.

Step 2 — Fill in the details

Choose the **Status** (Enrolled, In progress or Certified). When the status is **Certified**, the **Certificate number** and **Issue date** are required. **Issuing body (optional)** can name the awarding body.

Internship tracking and certificates

Doc ID: DOC-SCH-PORT-004 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator, Teacher (assigned students), Academic Team

Purpose

Record a student's internship with mentor, completion, attendance and skills, and attach the internship certificate.

Who Can Use This Feature

School Coordinator, Teacher (assigned students), **Academic Team**.

Prerequisites

The student's school has a **Platinum** partnership (Internships).

How to Access

The student's page > **Digital Portfolio** > **Internships** > **Add internship**.

Steps

Step 1 — Add the internship

Fill in **Role** (the title), **Company**, dates and the tracking fields: **Mentor name (optional)**, **Mentor designation (optional)**, **Completion**, **Attendance % (optional)**, **Skills acquired (optional)** and **Feedback (optional)**. Click **Save**; "Internship added." appears.

Write the personal statement

Doc ID: DOC-SCH-PORT-005 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator, Teacher (assigned students), Academic Team

Purpose

Add the student's personal statement — a short text about their interests and goals — to the Digital Portfolio.

Who Can Use This Feature

School Coordinator, **Teacher** (assigned students), **Academic Team**.

Prerequisites

The student's school has a **Gold** or **Platinum** partnership.

How to Access

The student's page > **Digital Portfolio** > **Personal statement** (at the end of the card).

Steps

Step 1 — Open the statement

Click **Add statement** (or **Edit statement** when one exists).

Step 2 — Write and save

Type the **Personal statement** (up to 4000 characters) and click **Save**. The message "Personal statement saved." appears.

Fields

Field	Description	Required	Example
Personal statement	The student's own words, up to 4000 characters. Saving an empty box removes the statement (and it no longer counts towards completion).	No	I enjoy building things that solve everyday problems...

Expected Result

The statement is shown in the portfolio and counts towards its completion.

Validation Messages

None seen.

Common Errors

Problem: The tier message "...does not include Digital portfolio creation (requires Gold or higher)." (*From code for this section; seen for entries.*) **Cause:** The school's tier is below Gold. **Resolution:** Ask your Overseas Admin about the partnership.

Tips

- Write the statement with the student, in their own words.

Add a career guidance or counselling record

Doc ID: DOC-SCH-CAR-001 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: Career Counselor

Purpose

Record a career guidance session, a counselling note or a career recommendation for a student, with what you learned about their interests, strengths and options.

Who Can Use This Feature

Career Counselor.

Prerequisites

- The student is at a school in your school portfolio.
- The school's partnership includes Individual counselling (**Silver** or higher).

How to Access

Sidebar > **Dashboard** > **Add a record** (below **Records**).

Steps

Step 1 — Choose student and type

Pick the **Student** (type part of the name) and the **Type**: **Guidance session**, **Counselling note** or **Recommendation**.

Step 2 — Fill in the session details

For a guidance session or counselling note, choose the **Status**: **Not Started**, **Scheduled** (then enter **Scheduled for**) or **Completed** (optionally **Completed on**, which defaults to today). Fill in what you know under **Assessment**, **Recommendations** and **Parent participation**, and write **Notes**.

Record a student's career preferences

Doc ID: DOC-SCH-CAR-003 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: Career Counselor

Purpose

Keep a student's current career interests, preferred countries and courses, and interest in studying abroad up to date.

Who Can Use This Feature

Career Counselor.

Prerequisites

The student is in your school portfolio. (Not limited by partnership tier.)

How to Access

Sidebar > **Dashboard** > **Career preferences.**

Steps

Step 1 — Choose the student

Pick the **Student**. Their saved preferences load into the form.

Step 2 — Update and save

Edit **Career interests**, **Preferred countries**, **Preferred courses** (comma-separated) and **Interested in studying abroad** (Not recorded, Yes, No). Click **Save preferences**. The message "Career preferences saved." appears.

Find and create skills batches

Doc ID: DOC-SCH-CAR-005 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: Career Counselor

Purpose

Run Soft Skills and Digital Skills programmes for groups of students ("batches") at the schools you support.

Who Can Use This Feature

Career Counselor.

Prerequisites

- A school in your school portfolio **that has students**.
- The school's tier includes Soft skills (Bronze or higher) or Digital skills (Silver or higher).

How to Access

Sidebar > **Skills**.

Steps

Step 1 — Find batches

Skills batches lists batches newest first, each with module, school, dates, number enrolled and **Open / Closed**. Filter by **Module** (All modules, Soft Skills, Digital Skills) and **Status** (Open and closed, Open, Closed). Click **Load more** for more than 25.

Skills batches

Soft Skills and Digital Skills batches at the schools you support.

Module

Status

All modules

Open and closed

No skills batches yet.

Create one below, then enrol students, add sessions to take attendance, and record assessments.

Create a batch

Create a batch

School: Sunrise Public School

Skills module

Soft Skills

Title

Topic (optional)

e.g. Public speaking, Coding

Trainer name (optional)

Start date

Skills batches

Step 2 — Create a batch

In **Create a batch**, choose the **School** (shown as text when you support one school), the **Skills module**, and type the **Title**, **Topic (optional)**, **Trainer name (optional)**, **Start date** and **End date (optional)**.

Create a batch

School: Sunrise Public School

Skills module

Soft Skills

Title

Docs Public Speaking Batch

Topic (optional)

Public speaking

Trainer name (optional)

Docs Trainer Mehra

Start date

29-09-2026

End date (optional)

05-11-2026

The end date must be on or after the start date

Create batch

Create a batch

Step 3 — Save

Click **Create batch**. The new batch's page opens.

New batch

Fields

Field	Description	Required	Example
School	A school in your portfolio (with students).	Yes	Sunrise Public School
Skills module	Soft Skills or Digital Skills.	Yes	Soft Skills
Title	Up to 160 characters.	Yes	Public Speaking Batch
Topic (optional)	Up to 120 characters.	No	Public speaking
Trainer name (optional)	Up to 120 characters.	No	Ms Mehra
Start date / End date (optional)	The end date must be on or after the start date.	Start: Yes	29-09-2026 / 05-11-2026

Expected Result

The batch exists, open for enrolment.

Validation Messages

Message	When
The end date must be on or after the start date	End date earlier than start date. <i>(From code; shown next to the field.)</i>
Enter a title / Choose a start date	Required field missing. <i>(From code.)</i>
This school's ... partnership does not include Digital skills (requires Silver or higher).	Tier too low. <i>(From code.)</i>

Common Errors

Problem: “You are not assigned to any school yet. Ask an admin to add you to a school’s team...” **Cause:** Your school portfolio is empty. **Resolution:** Ask your Overseas Admin.

The screenshot displays the EduSphere Portal interface. On the left is a dark blue sidebar with a vertical list of navigation items: 'Career Counselor', 'Docs Empty Portfolio Counselor', 'Dashboard', 'Skills' (which is highlighted with a white background), 'Funding', 'Change password', 'My profile', and 'Sign out'. The main content area is light blue and features a large white rounded rectangle with the message: 'You are not assigned to any school yet.' followed by the subtext 'Ask an admin to add you to a school's team. That school's students can then be enrolled in skills batches here.' The top of the page has a header with 'EduSphere Portal' on the left and 'Docs Empty Portfolio Counselor' on the right.

Not assigned to a school

Problem: A school in your portfolio is missing from **School**. **Cause:** That school has no students yet. **Resolution:** Ask the School Coordinator to add students first.

Tips

- Set **Status** to **Open** to hide finished batches.
- After creating a batch, enrol students on its page (see [Enrol students](#)).

Related Features

Edit, close or reopen a skills batch

Doc ID: DOC-SCH-CAR-006 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: Career Counselor

Purpose

Correct a batch's details, close it when the programme ends (it becomes read-only), or reopen it.

Who Can Use This Feature

Career Counselor.

Prerequisites

The batch exists.

How to Access

Sidebar > **Skills** > the batch title.

Steps

Step 1 — Edit details

Click **Edit details**, change **Title**, **Topic (optional)**, **Trainer name (optional)**, **Start date** or **End date (optional)**, then **Save details**. The message "Details saved." appears and the header updates.

Step 2 — Close the batch

Click **Close batch**. The message "Batch closed." appears. **Reload the page** to see the batch marked **Closed** with "This batch is closed. Reopen it to add students, sessions, attendance or scores." and the **Reopen batch** button.

Soft Skills · Sunrise Public School

Docs Public Speaking Batch

29 Sept 2026 – 05 Nov 2026 · Topic: Public speaking · Trainer: Docs Trainer Mehra (guest)

Closed

This batch is closed. Reopen it to add students, sessions, attendance or scores.

Edit details

Reopen batch

Students

STUDENT	STATUS	ATTENDANCE	CHANGE
DOCS STUDENT ANANYA	Completed	Attended 1 of 1 session	Certify Re-enrol
DOCS STUDENT ARJUN	Certified	No attendance yet	No further changes
DOCS STUDENT DEV	Withdrawn	No attendance yet	Re-enrol
DOCS STUDENT MEERA	Enrolled	Attended 0 of 1 session	Mark completed Certify Withdraw

Closed batch

Step 3 — Reopen (optional)

Click **Reopen batch**; the message “Batch reopened.” appears *(from code)*.

Fields

See [Find and create skills batches](#).

Expected Result

A closed batch keeps its enrolments, attendance and scores, but nothing new can be added until it is reopened.

Validation Messages

Message	When
title must not be blank	Title emptied. <i>(From code.)</i>
This batch is closed. Reopen it to make this change.	Changing a closed batch. <i>(From code.)</i>

Common Errors

Problem: After **Close batch**, the header still shows **Open** and **Close batch**. **Cause:** The page does not refresh by itself after closing. **Resolution:** Reload the page.

Tips

- Enrolment status (complete, certify, withdraw) can still be changed on a closed batch (*from code*).

Related Features

Add sessions and take batch attendance

Doc ID: DOC-SCH-CAR-008 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: Career Counselor

Purpose

Record each session of a skills batch and which students attended.

Who Can Use This Feature

Career Counselor.

Prerequisites

An open batch with enrolled students.

How to Access

Sidebar > **Skills** > the batch > **Sessions and attendance**.

Steps

Step 1 — Add a session

Enter the **Session date** (within the batch's dates) and **Session topic (optional)**, then click **Add session**. The message "Session on {date} added." appears.

Step 2 — Mark attendance

Choose the **Session**, tick present students (or **Mark all present** and untick absentees), then click **Save attendance**. The message "Attendance saved for {date}." appears.

Sessions and attendance

Attendance saved for 05 Oct 2026.

Session date

Add assessments and record scores

Doc ID: DOC-SCH-CAR-009 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: Career Counselor

Purpose

Score students on batch assessments, such as a presentation or a practical test.

Who Can Use This Feature

Career Counselor.

Prerequisites

An open batch with enrolled students.

How to Access

Sidebar > **Skills** > the batch > **Assessments and scores**.

Steps

Step 1 — Add an assessment

Enter the **Assessment name** and **Maximum score**, then click **Add assessment**. The message "{name} added." appears.

Step 2 — Enter scores

Choose the **Assessment**, type each student's score (and optional remarks), then click **Save scores**. The message "Scores saved for {assessment}." appears.

Assessments and scores

Mid-course presentation added.

Assessment name

Maximum score

Add assessment

17

Enter a score from 0 to 20

Score for Docs Student Meera (out of 20)

Remarks for Docs Student Meera (optional)

14.5

Save scores

Assessment scores

Fields

Field	Description	Required	Example
Assessment name	Up to 120 characters; unique in the batch.	Yes	Mid-course presentation
Maximum score	0.01 to 1000.	Yes	20
Score for {name} (out of {max})	0 up to the maximum.	At least one	17
Remarks for {name} (optional)	Up to 2000 characters.	No	Confident delivery.

Expected Result

Scores are stored for each student and appear in their 360° view (Skills).

Validation Messages

Message	When
Enter a score from 0 to {max}	A score above the maximum. (From code; on the documentation server a score of 25/20 was not saved.)
This batch already has an assessment with that name	Duplicate name. (From code.)

Common Errors

Problem: **Save scores** is greyed out. **Cause:** No score has been typed. **Resolution:** Enter at least one score.

Tips

- Each assessment name can be used once per batch; add the date to the name for repeated tests (for example “Presentation – Oct”).
- Scores show in the student’s 360° view on the **Skills** tab.

Open a funding support case

Doc ID: DOC-SCH-CAR-010 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: Career Counselor

Purpose

Track a student’s application for an education loan, financial assistance, a scholarship or funding guidance.

Who Can Use This Feature

Career Counselor. School Coordinators, Principals and Parents can see the cases on the student’s page; Teachers cannot.

Prerequisites

- The student is in your school portfolio.
- Tier: Scholarship needs **Gold** or higher; Education loan, Financial assistance and Funding guidance need **Platinum** *(from code)*.

How to Access

Sidebar > **Funding** > **Add a case**.

Steps

Step 1 — Fill in the case

Pick the **Student**, choose the **Support type**, and optionally the **Provider or institution**, **Amount** and **Notes**.

Add a case

Student

Docs Student Ananya — Sunrise Public School

Support type

Scholarship

Provider or institution (optional)

DAAD

Amount (optional)

€850 per month

As written by the provider, e.g. ₹5,00,000 or 50% of tuition.

Notes

Shortlisted for the design scholarship.

Add case

Add a case

Step 2 — Save

Click **Add case**. The message “Case saved.” appears and the case is listed in **Open cases** at **Stage 1 of 6 · Required**.

Fields

Field	Description	Required	Example
Student	Pick from your portfolio.	Yes	Docs Student Ananya
Support type	Education loan, Financial assistance, Scholarship, Funding guidance.	Yes	Scholarship
Provider or institution (optional)	Up to 200 characters.	No	DAAD
Amount (optional)	As written by the provider, up to 120 characters.	No	₹5,00,000 or 50% of tuition
Notes	Up to 4000 characters.	No	Shortlisted for the design scholarship.

Expected Result

The case is tracked; the parent is notified “Funding support update for {name}” (*from code*).

Validation Messages

Message	When
{Name} already has an open {type} case. Open it from the list to update it.	The student already has an open case of that type.

Move a funding case through its stages or close it

Doc ID: DOC-SCH-CAR-011 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: Career Counselor

Purpose

Record each step of a funding case until it is completed, or close it when it will not go ahead.

Who Can Use This Feature

Career Counselor.

Prerequisites

An open case.

How to Access

Sidebar > **Funding** > **Open cases** > **Edit** on the case.

Steps

Step 1 — Open the case

Click **Edit**. **Update {student}'s {type} case** opens.

Step 2 — Choose the next stage

Stage offers the current stage, the next stage and **Closed**. Stages go one at a time: Required → Counselling → Documents → Application → Approved → Completed. Update **Provider**, **Amount** or **Notes** if needed, then click **Save changes**. The message "Case saved." appears.

Update Docs Student Ananya's scholarship case

Stage
Counselling

Provider or institution (optional)
DAAD

Required → Counselling → Documents → Application → Approved → Completed, one stage at a time. Close a case that will not go ahead.

Amount (optional)
€850 per month

As written by the provider, e.g. ₹5,00,000 or 50% of tuition.

Notes
Shortlisted for the design scholarship.

Save changes
Cancel

Update the stage

Step 3 — Close a case (when it will not go ahead)

Choose **Closed** and enter the **Reason for closing** (for example "loan not approved, family withdrew"). Click **Save changes**. A closed case cannot be reopened.

Update Docs Student Arjun's education loan case

Stage
Closed

Reason for closing
Family chose to self-fund.

Required → Counselling → Documents → Application → Approved → Completed, one stage at a time. Close a case that will not go ahead.

For example: loan not approved, family withdrew. A closed case cannot be reopened.

Provider or institution (optional)
Docs Bank

Amount (optional)
₹5,00,000

As written by the provider, e.g. ₹5,00,000 or 50% of tuition.

Notes
Family asked about a loan for engineering abroad.

Save changes
Cancel

Close a case

Step 4 — See finished cases

Completed and closed cases move to **Finished cases ({n})**, which shows the outcome, date and reason.

Assign a psychometric assessment

Doc ID: DOC-SCH-PSY-001 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: Psychometric Team

Purpose

Record that a student has been given a psychometric assessment (for example an aptitude test), so the school and parents know it is under way.

Who Can Use This Feature

Psychometric Team.

Prerequisites

The student is at a school in your school portfolio; the school's tier includes Psychometric test (Bronze or higher).

How to Access

Sidebar > **Dashboard** > **Assign an assessment.**

Steps

Step 1 — Open your dashboard

The Psychometric Team dashboard has **Assessments** (all assessments in your portfolio, newest first), **Assign an assessment**, **Bulk entry — assessments (CSV)** and a **Student 360° view** list.

Bulk entry: assessments (CSV)

Doc ID: DOC-SCH-PSY-004 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: Psychometric Team

Purpose

Assign assessments (and optionally record their results) for many students at once from a spreadsheet.

Who Can Use This Feature

Psychometric Team.

Prerequisites

At least one school in your school portfolio. Each student's school needs an active partnership (Psychometric test is in every tier from Bronze); rows for other schools are rejected with the partnership message.

How to Access

Sidebar > **Dashboard** > **Bulk entry — assessments (CSV)**.

Steps

Step 1 — Download the pre-filled template

Open the panel and click **Download the pre-filled template (.csv)** (one row per student in your portfolio).

Step 2 — Fill in and upload

Fill in the rows you need, choose the file in **Filled-in assessments file** and click **Upload assessments**. The **Upload result** shows each row as Added or Rejected with the reason.

Psychometric Team

Download the pre-filled template (.csv)

► Column reference

2. Upload the filled-in file

Filled-in assessments file

Choose File

No file chosen

CSV, up to 1 MB and 500 filled-in rows.

Upload assessments

Upload result

1 of 2 rows added, 1 rejected. Rows that succeeded are kept.

ROW	STUDENT ID	RESULT	DETAIL
2	91A46898	Added	-
3	1EEC6F61	Rejected	report_url must start with http:// or https://

Student 360° view

Aarav Mehta Sunrise Public School

Bulk assessments result

Fields

Column	Required	Format
student_code	Yes (pre-filled)	8-character Student ID
assessment_type	Yes	Up to 120 characters
report_url	No	Must start with http:// or https://; filling it marks the assessment completed
test_date, parent_discussion_on, follow_up_on	No	YYYY-MM-DD
strengths, interest_areas, personality_indicators, recommended_careers, recommended_stream	No	Items separated by ; (up to 20)
counsellor_remarks / parent_discussion_notes	No	Up to 4000 / 2000 characters

Limits: 1 MB and 500 filled-in rows. Row numbers count the header as row 1.

Expected Result

Each added row is an assessment; parents are notified after the upload (*from code*).

Validation Messages

Message	Meaning
report_url must start with http:// or https://	The report address is not a web address.

Common Errors

See the results page: [Bulk entry: results](#).

Tips

- In the CSV, separate list items with `;`, not commas.
- Rows that were added are kept even when other rows are rejected; fix the rejected rows and upload only those again.

Related Features

- [Assign a psychometric assessment](#)

Student 360° view

Doc ID: DOC-SCH-S360-001 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: all school roles

Purpose

See everything EduSphere knows about one student — profile, attendance, results, career guidance, assessments, skills, languages, activities, certificates and EduSphere programmes — organised in 16 tabs.

Who Can Use This Feature

Every school role, for the students they can see: School Coordinator, Principal, Teacher (assigned students), Parent (their children), Academic Team, Career Counselor and Psychometric Team (their school portfolio).

Prerequisites

You can open the student.

How to Access

- **School Coordinator, Principal, Teacher, Academic Team:** the student's page > **Open 360° view**.
- **Parent:** the child's page > **Open 360° view** (*verified in S10*).
- **Career Counselor, Psychometric Team:** Dashboard > **Student 360° view** list > the student's name.

Steps

Step 1 — Read the header

The header shows the student's name and school, plus Student ID, grade and date of birth for school roles, and the **Career goal** (set by the Career Counselor).

Download the school report (PDF)

Doc ID: DOC-SCH-RPT-001 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator, Principal

Purpose

Get a PDF of your school's summary figures and grade-by-grade table, as of today, to share or print.

Who Can Use This Feature

School Coordinator and **Principal**.

Prerequisites

None.

How to Access

Sidebar > **Reports**. The School Coordinator can also use **Go to reports** on the dashboard.

Steps

Step 1 — Download

At the top of the Reports page, under **Download reports**, click **Download school report (PDF)**.

Step 2 — Find the file

The browser saves `school-report.pdf` and the page shows "Report downloaded."

School summary

Doc ID: DOC-SCH-RPT-002 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator, Principal

Purpose

See the size of your school community, how students are spread across grades, how many students have received EduSphere services, and how activities and attendance are going.

Who Can Use This Feature

School Coordinator and **Principal** (read only).

Prerequisites

None.

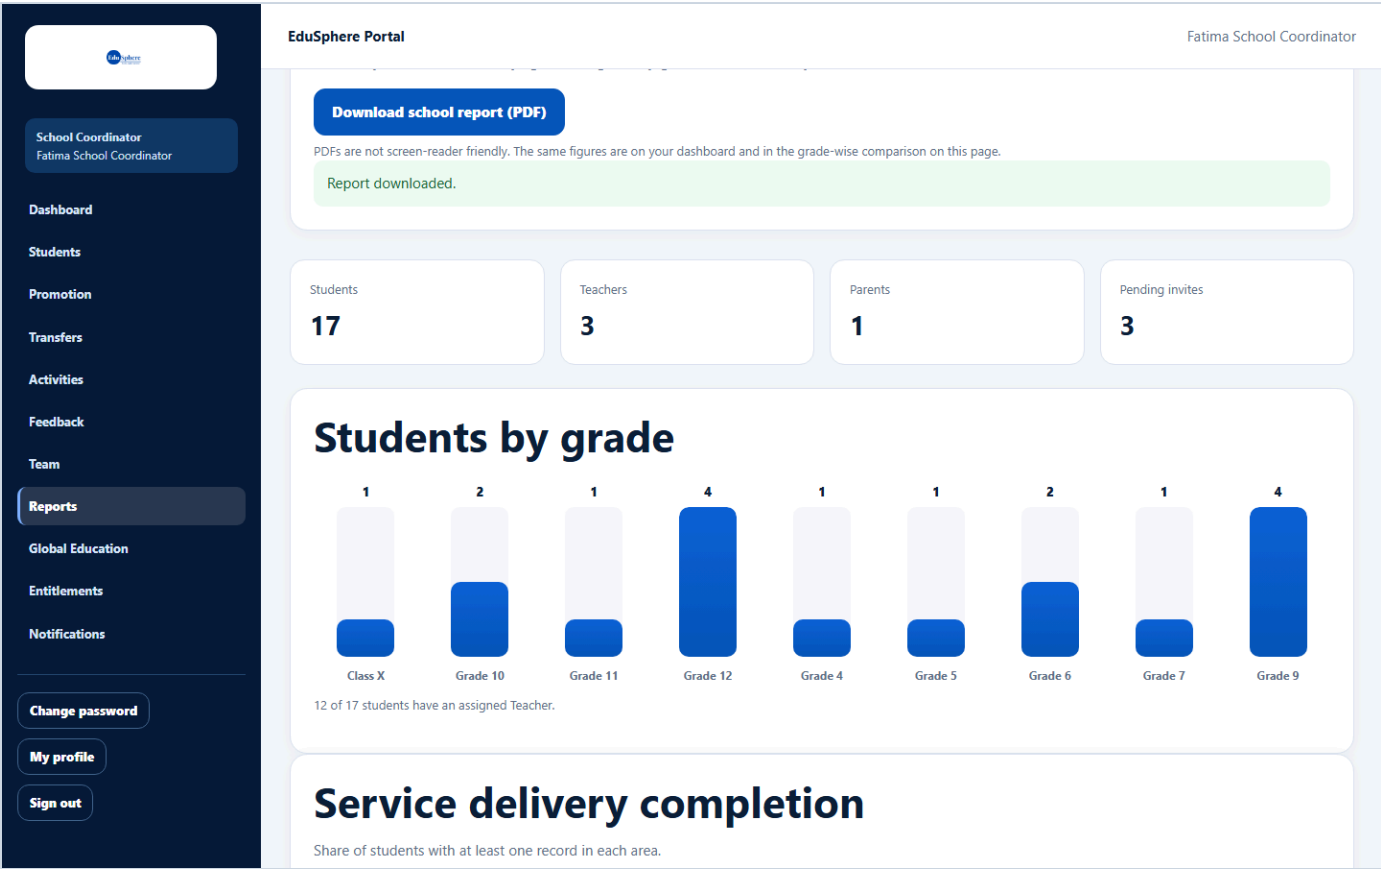

How to Access

Sidebar > **Reports**. The summary is below **Download reports**.

Steps

Step 1 — Read the tiles and the grade chart

Four tiles show **Students**, **Teachers**, **Parents** and **Pending invites**. **Students by grade** is a bar chart with one bar per Grade/Class value, followed by “{x} of {y} students have an assigned Teacher.”

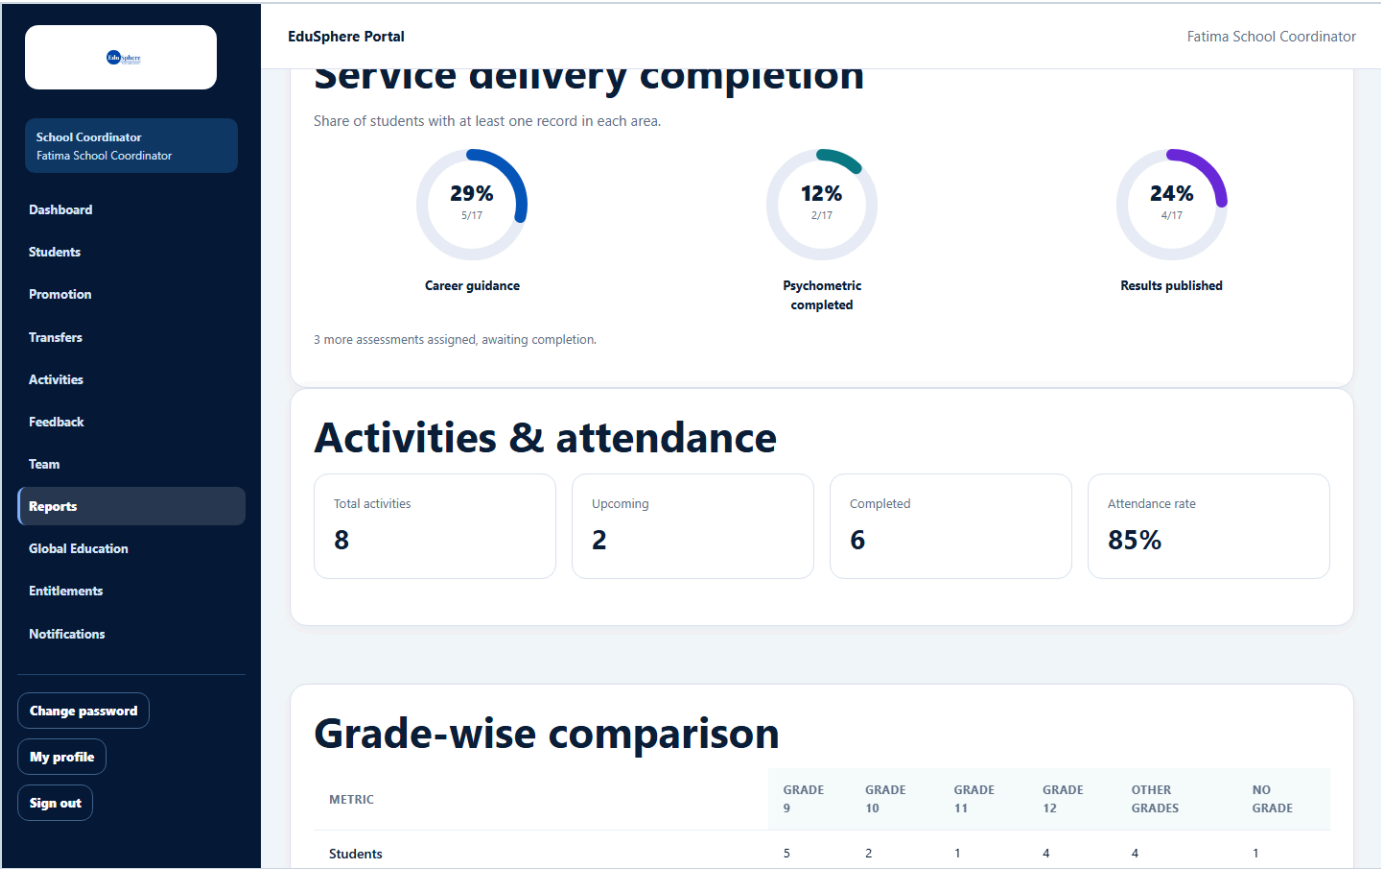

Tiles and grade chart

Step 2 — Read service delivery, activities and attendance

Service delivery completion (“Share of students with at least one record in each area.”) shows three rings: **Career guidance**, **Psychometric completed** and **Results published**, each as a percentage and “n/total”. A line below counts assessments that are assigned but not completed yet.

Activities & attendance shows **Total activities**, **Upcoming**, **Completed** and **Attendance rate**.

Common Errors

Problem: “No students on the roster yet.” in place of the chart (*from code*). **Cause:** The school has no students.

Resolution: Add students (School Coordinator).

Tips

- The chart groups by the text in **Grade/Class**, so “Class X” and “Grade 10” are separate bars. The dashboard grade tiles and the grade-wise comparison use the student’s grade level instead, so their numbers can differ from the chart (on the documentation server: Grade 9 = 4 in the chart, 5 on the dashboard). Use the same wording for every student to keep them consistent.
- The **Career guidance** ring (any career record: 5/17 on the documentation server) is not the same as the dashboard’s **Career Guidance Completed** (completed guidance sessions: 2).
- **Completed** activities means past activities, whether or not attendance was marked.

Related Features

Grade-wise comparison

Doc ID: DOC-SCH-RPT-003 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator, Principal

Purpose

Compare grades 8 to 12 (and the rest of the school) on readiness, assessments, counselling, skills and overseas applications.

Who Can Use This Feature

School Coordinator and **Principal** (read only).

Prerequisites

None.

How to Access

Sidebar > **Reports** > section **Grade-wise comparison**.

Steps

Step 1 — Read the table

Each column is a grade group; each row is a metric. Cells show “count (percentage of the grade)”. The first row, **Students**, is the number of students in each group.

Student development, at-risk students and top performers

Doc ID: DOC-SCH-RPT-004 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator, Principal

Purpose

See how many students have completed each development activity, how published results compare by grade, subject and term, and which students are at risk or performing at the top.

Who Can Use This Feature

School Coordinator and **Principal**.

Prerequisites

For **Academic performance** and the two lists, the Academic Team has published results.

How to Access

Sidebar > **Reports** > section **Student development**.

Steps

Step 1 — Read the activity table

The heading line shows the number of students, teachers and parents. The table shows, for **Career Guidance**, **Psychometric Test**, **Foreign Language**, **English Testing** and **University Guidance**, how many students have **Completed** it and how many are **Pending**.

Student progress scorecards

Grade
Grade 9
Show

STUDENT	CAREER AWARENESS	PSYCHOMETRIC	CAREER COUNSELLING	SOFT SKILLS	FOREIGN LANGUAGE	DIGITAL PORTFOLIO	IELTS/SAT	UNIVERSITY SHORTLISTING
Docs Student Arjun	⌚ Not started	⌚ Not started	✓ Completed	✓ Completed	⌚ Not started	📘 In progress	⌚ Not started	📘 In progress
Docs Student Existing Parent	⌚ Not started	⌚ Not started	⌚ Not started	⌚ Not started	⌚ Not started	⌚ Not started	⌚ Not started	⌚ Not started
Docs Student Label	⌚ Not started	⌚ Not started	⌚ Not started	⌚ Not started	⌚ Not started	⌚ Not started	⌚ Not started	⌚ Not started

Grade 9 only

Step 3 — Page through

25 students are shown per page. Use ← **Previous** and **Next** → under the grid (*from code; the documentation school has fewer than 25 students*).

Step 4 — Open a student

Click a student's name to open their profile (*from code*).

Fields

Areas (12): Career Awareness, Psychometric, Career Counselling, Soft Skills, Foreign Language, Digital Portfolio, IELTS/SAT, University Shortlisting, Scholarship, Application, Visa, Internship. The last four are to the right of the screenshot; scroll the grid sideways (*column list from code*).

Status	Meaning
Completed	The area is done for the student.
In progress	Started but not finished.
Not started	Included in your partnership but nothing recorded yet.
Not in plan	Your partnership tier does not include this area.
Not tracked yet	EduSphere does not record this area yet (Scholarship).

Expected Result

The address changes to `.../reports?grade=9#scorecards` and the grid shows only that grade.

Validation Messages

Message	When
No students match this grade.	No student is in the chosen grade (<i>from code</i>).
This page is past the end of the list.	You edited the page number in the address (<i>from code</i>).

Common Errors

None seen.

Tips

- The grade filter uses the grade level, like the dashboard tiles.
- “Not in plan” depends on your tier; see [Partnership tiers explained](#).

Global education pipeline

Doc ID: DOC-SCH-RPT-006 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: School Coordinator, Principal

Purpose

See how many of your students are on the overseas (global) education pathway and how far each one has got.

Who Can Use This Feature

School Coordinator and **Principal** (read only).

Prerequisites

EduSphere has started overseas applications for your students.

How to Access

Sidebar > **Global Education**.

Steps

Step 1 — Read the pipeline

Pipeline shows how many students the school has and how many are on the pathway, then the number of students at each stage: Global education pathway, Profile evaluation, University shortlisted, Offer received, Visa, Admitted. **Not tracked yet** lists figures EduSphere does not record yet, with the reason.

1–3 of 3

Students

Fields

Column	Description
Furthest stage	The furthest stage any of the student’s applications has reached.
Visa	The most advanced of Checklist, Documentation, Interview preparation, Tracking or Decision; In progress when a visa case exists at another stage; — when none.
Applications	Number of linked applications.

Expected Result

You know which students are progressing and where.

Validation Messages

None.

Common Errors

Problem: “No students from this school are on the global education pathway yet...” (From code.) **Cause:** No application has been linked to your students. **Resolution:** Contact EduSphere’s team.

Tips

- “High-level stage only. Application details are handled by EduSphere’s application team.” Names are not links, and you cannot change anything here.
- The stage counts are not strictly cumulative (a student can be counted at Visa and at Profile evaluation but not at the stages between).
- The Principal sees the same page.

The screenshot shows the 'Global education' section of the EduSphere Portal. The left sidebar contains navigation links: Principal, Rakesh School Principal, Dashboard, Reports, Global Education (selected), Feedback, Entitlements, Notifications, Change password, My profile, and Sign out. The main content area is titled 'Global education' and includes a 'Pipeline' section showing 17 students with 3 on the global education pathway. The pipeline stages are: Global education pathway (3), Profile evaluation (1), University shortlisted (0), Offer received (0), Visa (1), and Admitted (0). Below the pipeline is a 'Not tracked yet' section with six cards: Applications started, Applications submitted, Deposit, Scholarships, Top 100 universities, and Alumni. Each card has a 'Not tracked yet' status and a brief explanation.

Partnership tiers explained

Doc ID: DOC-SCH-ENT-002 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Roles: all school roles (reference)

Purpose

Understand what each partnership tier includes, and what the “not included” and “expired” messages mean.

Who Can Use This Feature

Everyone. This is a reference page.

Prerequisites

None.

How to Access

Read here. To see your own school’s tier, use sidebar > **Entitlements** (School Coordinator, Principal).

Steps

Step 1 — Find your tier

Tiers build on each other: **Bronze < Silver < Gold < Platinum**. Each tier includes everything in the tiers below it.

Tier	Adds these services
Bronze	Career seminar, Student career awareness session, Parent orientation, Psychometric test, Soft skills
Silver	Individual counselling, Digital skills
Gold	Application support, Scholarship assistance, IELTS coaching, SAT coaching, Foreign language classes, Digital portfolio creation
Platinum	Dedicated EduSphere counselor, Monthly campus visits, Internships, Visa support, Loan assistance, Alumni network, Parent help desk

(Tier contents from code; the Platinum and Bronze lists match the Entitlements page in the browser.)

Step 2 — Understand a refusal

Screens are not hidden by tier. You can start an action, and EduSphere refuses it if your tier does not allow it:

Message	Meaning
This school's {Tier} partnership does not include {Service} (requires {Tier} or higher).	Your tier is too low for this service.
This school has no active partnership tier.	No tier has been set.
This school's partnership expired on {date}.	The tier's end date has passed. Nothing gated can be done.

Schedule activity

This school's partnership expired on 04 Oct 2026.

Expired

Fields

None.

Expected Result

You know why an action was refused and who can change it.

Validation Messages

See Step 2.

Common Errors

Problem: Work that worked last month is now refused. **Cause:** The tier was lowered or has expired. **Resolution:** Check your notifications and **Entitlements**. Contact your EduSphere Overseas Admin.

Tips

- After a downgrade, work that was already started for a removed service can still be finished, but nothing new can be started (“Work already started for them can still be completed.”). After expiry nothing can be finished (*from code*).
- Two places show the tier directly: student scorecards (“Not in plan”) and the Digital Portfolio internships section (Platinum only).
- Only EduSphere’s Overseas Admin can change a school’s tier.

Transfer of Docs Student Riya to Docs Platinum Two was not approved new

An admin reviewed the request and did not approve it. Nothing has changed.
06 Oct 2026, 09:08

Open

Transfer approved: Docs Student Vihaan moved to Docs Platinum Two new

Docs Student Vihaan has left Sunrise Public School for Docs Platinum Two.
06 Oct 2026, 09:08

Open

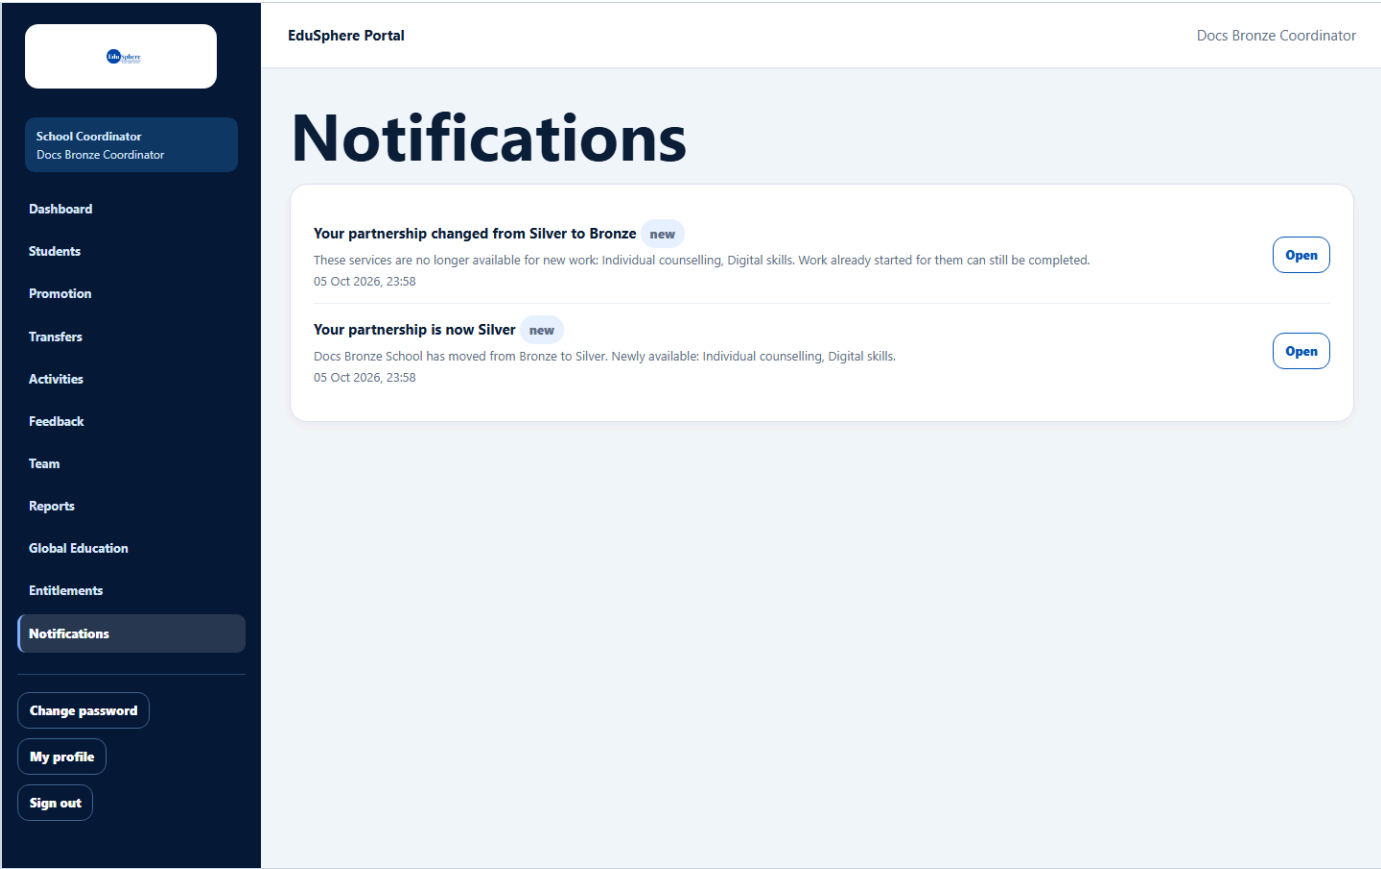

Coordinator notifications

Step 2 — Open a notification

Click **Open** to go to the related page. The notification is marked read: on the documentation server, opening a transfer notice took the coordinator to **Transfers** and the unread count went from 2 to 1.

Fields

Notification	Who gets it	Open goes to
Transfer approved: {student} moved to {school}	Coordinator of the student’s school	Transfers
Transfer of {student} to {school} was not approved (“Transfer request for Student ID {code} was not approved” when your school asked for the student)	The coordinator who filed the request	Transfers
{student} has joined {school} <i>(from code)</i>	Coordinators of the receiving school	The student’s page
Your partnership is now {Tier} / “... Newly available: ...”	Coordinators and Principals	Entitlements
Your partnership changed from {A} to {B} / “These services are no longer available for new work: ... Work already started for them can still be completed.”	Coordinators and Principals	Entitlements

Tier change notices

Expected Result

You see what changed and can go straight to it.

Validation Messages

None.

Common Errors

Problem: “No notifications yet. You will be told here when your school’s partnership changes.” (Principal) (*seen in S10*). **Cause:** Nothing has happened that the Principal is told about. **Resolution:** None needed.

Tips

- There is no “mark all as read” and no unread badge in the sidebar.
- The list keeps your newest 100 notifications (*from code*).
- Notifications may also be sent by email (*from code*).

Related Features

- [Track and cancel transfers](#)
- [View your school’s partnership entitlements](#)

Notifications for parents

Doc ID: DOC-SCH-NOTIF-002 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Role: Parent

Purpose

Be told when something is scheduled or recorded for your child.

Who Can Use This Feature

Parent.

Prerequisites

You are linked to at least one child.

How to Access

- Sidebar > **Notifications** (full list).
- Dashboard > **Important notifications** (latest 5) > **All notifications**.

Steps

Step 1 — Read the list

The table shows **When** (IST) and **Notification** (title, a **new** badge, the message), with **Open** on the right.

06 Oct 2026, 08:20	Upcoming session: Docs Career Seminar new Docs Career Seminar is scheduled for 13 Oct 2026, 04:30.	Open

Parent notifications

Step 2 — Open

Open goes to your child's page (or to the dashboard for "Upcoming session" notices).

Fields

You are notified when (*list from code; the first and last rows were seen in the browser*):

Event	Example title
The school schedules an activity	Upcoming session: {activity}
A Career Counselor adds a guidance session, counselling note or recommendation, or changes its status	Career guidance session recorded for {child}
A psychometric assessment is assigned, or its report is ready	Psychometric report ready for {child}
IELTS/SAT preparation starts or a score is recorded	—
Language classes start, or a certification is recorded	—
A result is published	—
EduSphere starts an overseas application for your child	Overseas application started for {child}
A funding-support case changes	—
A skills batch event (enrolment, certification)	—
Your child moves school	{child} has moved to {school}

Expected Result

You see each event once, newest first.

Validation Messages

None.

Common Errors

Problem: The **new** badges and the "{n} unread" count never clear. **Cause:** Opening a notification from the parent pages does not mark it read. Seen in S10: the count stayed at 4 after **Open** (U8). **Resolution:** None at present. Report it to the school if it causes confusion.

Problem: An "Upcoming session" message shows an odd time, for example "scheduled for 13 Oct 2026, 04:30" for a 10:00 session. **Cause:** The time inside that message is in UTC, not IST (U9). **Resolution:** Use the time in **Upcoming sessions** on the dashboard, which is IST.

Tips

- If your children are at different schools, you get notices from all of them in the same list.
- After a transfer you keep access to your child's profile and progress.

Related Features

- [Parent dashboard](#)
- [Your child's profile and progress](#)

Your child's profile and progress

Doc ID: DOC-SCH-PAR-001 · Verified on 2026-10-06 against `main` @ `ce1f07c2` · Role: Parent

Purpose

See everything the school and EduSphere have recorded for your child: guidance, assessments, results, activities, skills, funding support, grade and school moves, and the journey timeline.

Who Can Use This Feature

Parent, for children linked to their account.

Prerequisites

The school has linked you to the child.

How to Access

Dashboard > the child's card > **View full profile & progress**.

Steps

Step 1 — Read the header and status tiles

At the top: **Open 360° view**, **Download progress report (PDF)** and **Back to my children**. Then the child's photo (or initials), **School**, **Grade/Class**, **Section / Roll number**, **Date of birth** and **Class teacher**, and the same status tiles as on the dashboard.
