Quick-start guide: School Coordinator

Verified 2026-10-06 against `main` @ `ce1f07c2` (School CRM documentation, sessions S2–S10).

Role Purpose

The School Coordinator runs the school's EduSphere workspace. They keep the student roster up to date, invite the Principal, Teachers and Parents, schedule activities and mark attendance, handle transfers and promotion, and follow the school's reports and partnership. Each partner school has a Coordinator, created by EduSphere's Overseas Admin.

Login

1. Open the welcome email from EduSphere and set your first password (the link is valid for 72 hours). See *Set your first password (see the User Manual)*.
2. Afterwards, sign in at **/overseas/login** with your email and password. See *Sign in (see the User Manual)*.

Dashboard

You land on **School at a glance**: 20 figures about students, career and assessment services, skills and languages, and the global pathway, followed by shortcuts, upcoming activities and a results summary.

4. Check **Team** for pending invitations that have not been accepted.
5. Weekly: **Reports** (at-risk students, scorecards) and **Global Education**.
6. At the start of a new academic year (once EduSphere opens it): **Promotion**.

Restrictions

- You cannot delete students; ask EduSphere.
- You cannot approve transfers; EduSphere's Overseas Admin decides.
- You cannot change your school's tier or open a new academic year; ask your Overseas Admin.
- Invitations cannot be re-sent, revoked or copied from the screen.
- Services outside your tier are refused with a partnership message (see Tiers explained (*see the User Manual*)).

Common Problems

Problem	What to do
A partnership message when scheduling an activity	Check Entitlements ; contact your Overseas Admin.
Invitation email not sent ("share the link manually")	Contact your Overseas Admin.
Attendance card shows everyone ticked again	Untick absentees again each time; saving replaces the earlier record.
Every student shows "Already in {year}" on Promotion	The new year is not open yet; ask EduSphere.
Report and dashboard grade numbers differ	The chart groups by Grade/Class text; use consistent wording.

Quick-start guide: Parent

Verified 2026-10-06 against `main` @ `ce1f07c2` (School CRM documentation, sessions S2–S10).

Role Purpose

A Parent follows their children's progress with EduSphere: career guidance, assessments, published results, activities, skills, funding support and school moves. The Parent portal is read-only.

Login

1. Open the invitation email from your child's school and click the link (valid for 7 days). Set your password. See Accept a school invitation (*see the User Manual*).
2. Afterwards, sign in at **/overseas/login**. See Sign in (*see the User Manual*).
3. If a second school links you to another child, you use the same login; no new invitation is sent.

Dashboard

My children shows a card per child with status tiles. Below are **Upcoming sessions** and your latest **Important notifications**.

The screenshot shows the EduSphere Portal interface for a parent. On the left is a dark blue sidebar with the EduSphere logo, a 'Parent' role indicator for 'Vikram School Parent', and navigation links for 'Dashboard' (selected), 'Notifications', 'Change password', 'My profile', and 'Sign out'. The main content area is titled 'My children' and 'Sunrise Public School'. It features a card for 'Aarav Mehta' (ID: C143A208) with details: Grade/Class: Grade 6, Date of birth: 12 Apr 2015, and Class teacher: Neha School Teacher. Below this are six status tiles: 'Career guidance' (Completed), 'Counselling' (Not started), 'Psychometric' (Completed), 'Published results' (1), 'Attendance' (Not marked yet), and 'Soft skills' (Not started). A 'Digital skills' tile is also present (Not started). A 'View full profile & progress' button is at the bottom of the card. Below the card is a section for 'Docs Student Existing Parent' (ID: 6D947D6D).
